I must confess I did not have faith in any patent medicine, but, like a drowning man catching at straws, I thought I would give it a trial. I used one bottle, and the permanent manner in which it has cured and made a new man of me is such that I cannot withhold from the proprietors this expression of my gratitude, and I would advise all that are so afflicted to give it a trial."

Mr. H. McCaw, Custom House, Toronto, writes: "My wife was troubled with Dyspepsia and Rheumatism for a long time; she tried many different medicines, but did not get any relief until she tried Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. She has taken two bottles of it, and now finds herself in better health than she has been for years."

Mrs. Thomas Smith, Elm, writes: "I am using this medicine for Dyspepsia. I have tried many remedies, but this is the only one that has done me any good."

Mr. R. C. Winlow, Toronto, writes: "Northrop & Lyman's Vegetable Discovery is a valuable medicine to all who are troubled with Indigestion. I tried a bottle of it after suffering for some ten years, and the results are certainly beyond my expectations. It assists digestion wonderfully. I digest my food with no apparent effort, and am now entirely free from that sensation, which every dyspeptic well knows, unpleasant fulness after each meal."

Mr. John Magwood, Victoria Road, writes: "Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure is a splendid medicine. My customers say they never used anything so effectual. Good results immediately follow its use. I know its value from personal experience, having been troubled for nine or ten years with Dyspepsia, and since using it digestion goes on without that depressed feeling so well known to dyspeptics. I have no hesitation in recommending it in any case of Indigestion, Constipation, Heartburn, or trouble arising from a disordered stomach."

SICK HEADACHE

is generally caused by a disordered stomach, imperfect digestion, or inactivity of the liver. If you are troubled with this distressing complaint, take the **VEGETABLE DISCOVERY** to purify the stomach and give healthy action to the liver, and we will guarantee that the headache will be speedily and permanently removed.

Mr. S. B. Maginn, Ethel, used Northrop & Lyman's Vegetable Discovery to cure a severe bilious sick headache which troubled him for a long time. He thinks it an excellent medicine for all such afflictions.

Mr. Thos. Bell, of Messrs. Scott, Bell & Co., proprietors of the Wingham Furniture Factory, writes: "For over one year I was not free one day from Headache. I tried every medicine I thought would give me relief, but did not derive any benefit from their use. I then procured a bottle of Northrop & Lyman's Vegetable Discovery, and began taking it according to directions when I soon found the headache leaving me. I am now completely cured, and I cannot recommend this medicine too highly. I would not be without a bottle of it even if it should cost me three times its present price."

LIVER COMPLAINT.

The liver is the secreting organ or gland by which the bile is formed, and on account of the relation it bears to the blood is more or less affected by the purity or impurity of that fluid. It can therefore be readily understood how easily one is affected by the condition of the other.

If your skin is sallow or of a yellow colour, pain in the right side or shoulder, torpidity, easily exhausted, weight or pain about the liver, or jaundice (a disease which arises directly from obstructions caused by disorders from the liver), you have the

Symptoms of Liver Complaint,

a disease from which very few are entirely free. Northrop & Lyman's Vegetable Discovery claims to permeate, strengthen, clear up and invigorate all the ducts, passages and blood-vessels of the liver, and restore the organ to a perfectly healthy condition. It should be resorted to by those troubled with liver complaint.

Mrs. H. Hall, Navarino, N. Y., writes: "For years I have been troubled with Liver Complaint. The doctors said my liver was hardened and enlarged. I was troubled with dizziness, pain in my right shoulder, constipation, and gradually losing flesh all the time. All food soured on my stomach, even with the closest attention to diet. I was under the care of three physicians, but did not get any relief. A friend sent me a bottle of Northrop & Lyman's Vegetable Discovery, and it affords me much pleasure to inform you that the benefit I have received from it is far beyond my expectation. I feel better now than I have done for years."

Mrs. L. Squire, Ontario Steam Dye Works, Toronto, says: "For about 30 years I have doctored for Liver Complaint and Dyspepsia without getting any cure. I then tried Northrop & Lyman's Vegetable Discovery, and the benefits I have received from this medicine are such that I cannot withhold this expression of my gratitude. It acts immediately on the liver, and its good effects are noticed at once. As a Dyspepsia remedy I don't think it can be equalled."
