CAPTAINS ON MANY SEAS  
NEVER WITHOUT PE-RU-NA."Give Me My Compass and  
Pe-ru-na and I Will Steer  
Clear of All Wrecks."Pe-ru-na Known and  
Praised on Land  
and Sea.

"A sick sailor is a pretty helpless man. I have found that Pe-ru-na will do more to restore one than any other medicine I know, and I have carried a couple of bottles on board for many seasons. Seven years ago Pe-ru-na cured me of bronchial trouble in a few weeks and gave me such new life and nerve force that I certainly believe in telling you of it."

"Give me my compass and Pe-ru-na and I will steer clear of wrecks of all kinds and land in port safe and well with vessel and men."—Capt. L. E. Carter, 123 10th Avenue, Pensacola, Florida.

Capt. E. A. Watson, M. E., 43 Elizabeth street, Ottawa, Ont., writes:

"Pe-ru-na has my heartiest endorsement. If there is any place that you are helpless when ill it is on board a steamer, at sea, miles away from any assistance. Sometimes two or three of my men would be sick at one time and seriously cripple the force, but since we have learned of the value of Pe-ru-na, by taking a few doses they regenerate very quickly. We use it for colds, lung

trouble and kidney disease, and have also found it very fine for grippe.

"Pe-ru-na is always one of the most important supplies of my steamer."—E. A. Watson.

With a bottle of Pe-ru-na aboard sailors have a remedy on which they can rely.

Commodore T. S. Navy.

Commodore Somerville Nicholson, of the United States Navy, in a letter from 1837 R St., N. W., Washington, D. C., says:

"I unhesitatingly recommend Pe-ru-na to all persons suffering from catarrh."—T. S. Nicholson.

If you do not derive prompt and satisfactory results from the use of Pe-ru-na, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address: Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

SAY TUCKER  
IS GUILTY.Jury Stamps Him as the  
Murderer of Mabel  
Page—End of Sensa-  
tional Case.

Cambridge, Mass., Jan. 24.—Chas. L. Tucker of Auburndale, at 10.15 tonight was found guilty of murder in the first degree of Miss Mabel Page in her father's home in Weston on March 31st, last. The penalty is death in the electric chair at the state prison in Charlestown, about a mile from the scene of the trial. He will be sentenced later.

When the verdict was announced Tucker collapsed utterly and fell over on the railing of the cage. His counsel rushed to his assistance, but it was some time before he revived.

Tucker was not alone in giving way under the strain, for Attorney General Parker as soon as the verdict was announced threw his arms around the neck of James H. Vaney the leading counsel for the prisoner, and burst into tears. The whole court room was greatly affected.

Tucker, as soon as he revived to some extent, was practically carried by the court officers back to his cell in the jail and a physician was sent for.

AS TO GERMAN  
AUTOCRACY.The Government Will Not In-  
terfere With a Grand Duke's  
Medieval System.

Berlin, Jan. 25.—Herr Buesing, the only member of the Reichstag who has served continuously since its foundation, in asking the Government today if the Bundesrath would not intervene in the grand Duchy of Mecklenburg-Schwerin, to enable the people to obtain a constitutional Government, described the medieval conditions there which, he said, were unlike anything in Europe outside of Turkey and Russia.

Interior Secretary Von Posadowsky-Wehner replying for the Government, said that however one might sympathize with Herr Buesing's wishes for liberal institutions, the imperial constitution did not permit interference in the internal affairs of a state under such circumstances as these.

Herr Von Oertzen, Minister of Mecklenburg to Prussia, participating in the debate, said the Grand Duke reserved the right to conduct the affairs of the Duchy and must have entire free will to select the time for dealing with the question of a constitution.

Memorial Window to the Late  
Russell Hubley Was Un-  
veiled Yesterday With Ap-  
propriate Ceremony.

Sussex, Jan. 25.—The annual Christmas treat of St. John's Reformed Episcopal Sunday school was held at the church, Upper Corner, on Monday evening. Much credit was due to Miss Upham and Miss Hubley, under whose care the arrangements were carried out.

The unveiling of the memorial window, in memory of the late Russell C. Hubley, son of the rector of St. John's Reformed Episcopal church, took place yesterday afternoon at Upper Corner.

The late Russell C. Hubley was one of the first contingent to South Africa. He contracted diseases which caused death, a short time after he returned from the front.

The service was opened by a hymn rendered by the choir, then the hymn and hymn 474. Col. H. Montgomery Campbell unveiled the window. In doing so, he spoke of the high character of the deceased, his great rearing as a soldier of his regiment, and his Christian example was a light to his companions.

The sermon was preached by J. E. Brown, rector of St. Paul's R. E. C. of Montreal, taking his text from 10th chapter of Proverbs, 6th verse. He spoke of the great example of this Christian soldier, and appealed to those present to live his life.

The window is of stained glass in the form of an angle, with the following inscriptions at the bottom. The figure entitled to the Easter morning, with Russell C. Hubley who served in South Africa.

The Rev. Mr. Hubley will preach his farewell sermon next Sunday and his successor will take his place the following Sunday.

The revival meeting in the Free Baptist church, last evening, was of special interest. Evangelist Douby took for his text Isa. 1-18, and gave a clear definition of the course to be pursued by the prodigal, if he is to have the experience set forth in the text.

Ed. H. Brown, who had a serious operation performed on him some days ago at the hospital, is very much improved and will be able to be moved to his home in a few days.

J. R. McLean and Geo. Coggon went to Petitcodiac last evening to attend a musical meeting.

Frank B. Street, of Montreal, was in Sussex yesterday.

Miss Winnie Dimes and Miss Mabel Scouffe of Hampton, who have been visiting Mrs. A. M. Hubley, returned home today.

G. A. Prince of St. John, was in town today.

Miss Francis Zillingham of St. John, returned home today, after spending a week with Miss Madden, Main St.

Dr. Matthews' address to the Natural History Society last evening, was on New Brunswick geologists, the father of whom was Dr. Abram Gosner, who made an expedition, and gave the first official map of New Brunswick. The old Mechanic's Institute collection in St. John, now lodged in the museum of the Natural History Society, was collected by Dr. Gosner.

Hon. J. V. Ellis, president of a vote of thanks was extended to Dr. Matthews.

IRISH COUNCILS  
AND EMBARGO.One of Them Wants the Cat-  
tle Embargo Removed—  
Mount Stephen.

Montreal, Jan. 24.—A special London cable says:—The king today invested Lord Mount-Stephen with the insignia of the Grand Cross of the Royal Victorian Order. Earl Clarendon, the chancellor of the order was present.

Somewhat contrary to the majority of the district councils of Ireland the Croon council has unanimously adopted a resolution calling upon their parliamentary representatives to use their utmost endeavors to remove the cattle embargo, as they "view with grave alarm the high prices paid by tenant farmers for the widdings under the land purchase act, prices being raised by the present artificial closing of English ports to Canadian and other cattle."

This aspect of the case is demonstrated by Michael Davitt in a long letter published in the press. The other side is that the removal would utterly ruin the tenant farmers who agreed to purchase under the act.

## SENATOR PERLEY IN TOWN.

Senator W. D. Perley, of Walsley (N. W. T.), was at the Royal last night, and will leave for his old home in Shubenubut county this morning. After a short visit there he will go to Fredericton in time to be present at the meeting of the Farmers' Association, which body he himself founded thirty-one years ago. He will be one of the speakers at the gathering and one of the most prominent men there.

Senator Perley is one of the men who have grown with the growth of the west. He left New Brunswick in 1882, and is now a senator from one of the constituencies there. He is most enthusiastic over the resources of the country, and prophesies great developments in the near future.

The senator talked of a number of St. John men who had all worked for him for a time, and who had prospered and now owned ranches of their own. Among these were G. McLeod, son of Howard D. McLeod, of the Savings Bank, and sons of H. A. Austin and P. S. MacNutt.

The senator is accompanied on his trip east by his daughter and son-in-law, Mr. and Mrs. Levi Thompson.

## THEY WILL DEBATE.

A meeting of the students of the St. John Law School was held last evening in the Equity court chambers. The object was to ascertain whether or not the school here would send a representative to assist Windsor College of Nova Scotia, in its debate with Acadia College. As eight of the twelve members of the College here are bachelors of arts, only four are eligible to participate in the debate.

It was unanimously decided to send a representative from the college here, and in order to ascertain which of the four will be best qualified, a debate on "Resolved that organized capital is a greater menace to the community than organized labor," will be held next Tuesday evening in the Pugsley Building at 8 o'clock.

The affirmative speakers will be Miss Mabel French assisted by J. J. Green, while Messrs. Hayward and Macrae will uphold the negative cause. The judges will be the eight guest students.

## SECURE DAWSON TICKETS.

It will be just a matter of securing tickets before they are disposed of, in order to see the great hockey game next week between an all St. John team and the Dawson City aggregation which is drawing such tremendous houses in Nova Scotia under the management of F. G. Spencer. Many hundreds more than the rink capacity will wish to see the big game. For the benefit of patrons advantage tickets have been placed on sale in Gray's bookstore, and when these are exhausted, tickets will be sold at the door the night of the game. All intending to be present next Wednesday should secure their tickets at once.

## REV. J. L. GORDON.

Re-affirms Decision to Go to  
Winnipeg Church.

(Toronto Globe.)

Rev. J. L. Gordon reaffirmed his decision to accept the Winnipeg call in a letter to the Clerk of the Bond Street Congregational Church on Sunday, and in it requested the church to accept his resignation, tendered two weeks ago. The annual meeting of the Bond street congregation will be held on the evening of Wednesday, February 1st, when the matter will be dealt with. Under the circumstances it is requested for the church but to accept the resignation.

Mr. Gordon's letter, which was addressed to Secretary McCartney, was as follows:—"I enclose these lines to express through you to the members of the Bond street church my hearty appreciation of the resolution passed so enthusiastically on last Wednesday evening, requesting me to reconsider my decision with reference to the Winnipeg call. I am not indifferent to the earnest words of appreciation uttered on that occasion, and sincerely wish that I could see my way clear to comply with the suggestion of the resolution. No decision of my life has had more careful consideration. I sincerely believe that it is my duty to accept the call tendered me by the Central Church of Winnipeg, and therefore request the church to accept my resignation as presented. I shall always regard with profound satisfaction the years of my service as pastor of Bond Street Congregational Church in Toronto."
