BRITISH COLUMBIA BRANCH.

HOMER STREET, VANCOUVER.

At one of our quarterly prayer-meetings one of the most active workers in this department, Mrs. Williams, gave an intensely interesting account of the work that was being carried on amongst the Indians, for which \$6 was collected. Our deceased member, Mrs. Mole, will be greatly missed in all the work, but especially in this department. With a large increase of membership and funds we hope to do much better in all respects in the future. We are thankful that so many of our brothers are giving us practical aid.

PRINCESS STREET, VANCOUVER.

During the year we have doubled our membership and our funds. We have also organized a Mission Band. In addition to our regular monthly meetings and public meetings, we have set aside the last Wednesday in the month for a missionary prayer-meeting, which, we find, creates an interest in our work among those who do not belong to our Auxiliary. We feel greatly encouraged to go forward in our Master's work.
