ST. ROSE'S DEFEAT PORTLANDS, 9 TO 3

Champions Regain Lead in City Amateur League Championship Race.

Welding their bats with deadly effect the St. Rose's last year's provincial champions, clubbed their way back into the lead for the City League championship when they trimmed the Portlanders on the Nashua Park last evening by the score of 9 to 3. The Saints got away to an early lead and were never headed.

With Conlon on base in the initial chapter, Joyce crashed out a terrific drive to deep centre for a home run, scoring the first two runs for the winners. The Saints also secured a run in the second frame and then put the game on ice by driving in four consecutive runs in the third. The Portlanders secured in the fourth were not needed.

Murphy was in the box for the winners and he kept the Portlanders' hits fairly well scattered, while Hannah, for the Portlanders, was hit harder. Both pitchers exhibited good control as not a base on balls was given. Both teams as several glaring errors were made.

The Portlanders scored twice in the second round on two hits, a sacrifice and an error and registered their final run in the sixth on two singles and a double.

BOLSTERING UP MONCTON'S TEAM

The Moncton Transcript says it is hoped that the "pro" team here will be strengthened, as it is now attempting to run on only nine players, in addition to the manager. Word is received that "Rabbit" McManus has been transferred to Sydney with the Western Union, and he will leave at once to take up his new duties. McManus' loss will be keenly felt by the team, as his work in left field and his hitting this season has been of the highest order.

"Bud" Markham, whom it was hoped to secure for short, has definitely decided that he will not be joining the club. It is expected, however, that negotiations will be closed in a few days with several other players, with whom the management has been dickering.

"Bill" Dean made his debut at home in a local union in the games with the Philadelphia Giants. Although he had a couple of errors chalked up against him, he was in his old-time form with the stick, gathering in four of Moncton's twelve hits in the two fixtures.

NAVY SOCCER TEAM SHUTS OUT TROJANS

The first game of the second series in the St. John Soccer League was played on the Barrack's Square last evening when the Navy defeated the Trojans by the score of 4 to 0. The teams were evenly matched and after the Trojans strengthened their only weak spot by a new goal keeper, the game was scoreless.

The line-up follows: Navy; Mantle, Savary, Chatter, (Capt.) Bardell, Montgomery, S. Glass, Penrice, Thompson, Sr., Thompson, Jr., J. Glass, Hurst, Trojans; Melhan, McKelvey, Bain, Tucker, Marsh, Clark, Dobbie, Murray, Evans, (Capt.), Bradberry, Warren.

NELSON PITCHES ROYALS TO WIN

The Machine Gunners suffered a reverse last evening at the expense of the tail-end Royals, 8 to 5, with Earl Nelson pitching heady ball for the colored boys. Although touched up frequently, Nelson kept the hits scattered fairly well and but for one bad inning was master all the way. The defeat kept the Gunners out of a tie for first place. Roy Nelson, Earl's diminutive brother, has installed himself a fast favorite with the fans. His good fielding and batting last night earned him much applause.

LIDDELL'S WIN WAS A FEATURE

Maynes Apparently Did Not Compete for Canada in the 400 Metres.

The brilliant running of Eric Liddell, Scotch divinity student, in winning the 400-metre event in record time at the Olympic games yesterday was the outstanding performance for the day. "Dave" Johnson, Canadian Rhodes scholar at Oxford, finished fourth, defeating the American crack, J. Coard Taylor, and adding three points to Canada's total. The win yesterday gave British runners, three of the four shorter distances—the 100, 400 and 800. The best the United States could do was the 200 metres.

Apparently, "Billy" Maynes did not compete in the 400 metre event. Only four contestants are allowed from each nation and as the names of Johnson, Christie, Fuller and Aylin are mentioned, it can safely be inferred that Coach Cornelius is saving Maynes for the 1,600 metres relay. While Christie and Fuller defeated Maynes by a scant margin at the Montreal trials, Maynes beat Fuller in the final.

Ball Problems By Billy Evans

QUESTIONS.

1. Man is on first base with one out. The hit-and-run signal is given. Runner on first gets a good lead on pitch. Batterman hits ball to pitcher, who tries for runner at second but fails, both players being safe. Is batsman credited with a hit? If not, how is play scored?—L. E. O.
2. Runner on first and third and two out when double steal is tried. Catcher throws ball to second baseman. While runner going to second is retired, runner from third crosses plate before final out of the inning is made. Does the run count?—L. P. V.
3. With a runner on first and third and two out the batsman hits safely. Runner on third scores on play, runner on first reaches third in safety, but batsman is out trying to stretch his hit into a double. Runner from third jogged home on the play and had just crossed the plate when the runner was retired at second for the third out of the inning?—L. A. W.

Mike Will Be There

"Mike" is the most talked-of dog in St. John today.

The story of how "Mike," a big, lovable Irish setter, saved ten-year-old Kenneth Causey from drowning, as told by The Times-Star last night, has aroused widespread comment, and today "Mike" is the object of a great deal of fussing. All of which is rather distasteful to Mike—who is a real hero.

South End people are proud of "Mike" and his deed, and the widewake "Steve" Payne, chairman of the grounds committee, has completed arrangements for a pleasing ceremony on the South End grounds at Monday night's game between the Trojans and Royals.

"Mike" will be there. So will the little Causey fellow, whom he saved.

And, The Times-Star photographer will take Mike's picture.

Further, a handsome collar will be purchased for Mike by the South End League out of the proceeds of Monday night's game. So don't fail to see "Mike."

He's a real hero!

CARPENTIER DOWN TO HARD TRAINING

Opened His Campaign With a Lawn Fete—Tunney Also Training.

Georges Carpentier, the French light-heavyweight, began active training yesterday at Jack Curry's estate at Great Neck, L. I., in preparation for his fifteen-round contest with Gene Tunney, the American light-heavyweight champion, which will be staged at the Polo Grounds under the auspices of the Polo Grounds A. C. on the night of July 24. An elaborate programme, such as is seldom seen in connection with a boxer's camp, was arranged for the opening of the Frenchman's training campaign, the feature of which was a luncheon and lawn fete. A large crowd was present, including many prominent in Long Island society, with whom Carpentier already has become very popular.

In striking contrast to the veil of secrecy which was thrown about Carpentier's preparation for his bout with Jack Dempsey in 1921, the Frenchman will do all his training for his impending battle with Tunney in full view of the public. The ring in which he will do his boxing has been pitched out on the lawn, so that even passers-by on the State Highway can see him in action. Carpentier already has been working out at his headquarters and appears to be in the best of condition. He believes that it will only be necessary for him to tune up his boxing in order to be right at the top of his form when he faces Tunney.

CARPENTIER WILL BACK COUNTRYMAN

Will be in Ledoux's Corner When He Meets Goldstein.

Georges Carpentier, the French boxer, and his manager, Francois Desjardins, will be in the corner for Charles Ledoux when the French bantamweight clashes with Abe Goldstein, the world's bantam champion, in their fifteen-round bout at the New York Yvelandrome next Wednesday night.

Matchmaker Frank Floureny also announced his complete card for his bout with the French welterweight, and Vic Brog of Pittsburgh meet in a ten-round semi-final. The six-round bout will be between Sammy Benfield and Johnny Breslin. Sammy Rosen and Dan Williams will meet in the opening four-round preliminary.

FRENCH SENATE BACKS HERRIOT

Paris, July 11.—The French Senate today by a vote of 246 to 18 expressed its confidence in Premier Herriot after the Premier had stated before the Upper House that the role of his Government was to re-establish cordial relations with Great Britain.

RUSSIAN WORLD WAR GENERAL GETS PENSION FROM THE SOVIETS

Leningrad, July 12.—Gen. Brusilov, who commanded the Russian Army against the Germans during the World War, has been granted a pension of \$150 a month on account of his services rendered to the Soviet Union, and also on account of advancing age.

He is now 75 years of age. He took an active part in the creation of the Bolshevik cavalry and, until his retirement, was technical advisor to the Red Army.

MORE CHILDREN TREATED.

Another treat was given the children of the city yesterday by J. D. O'Connell at the East End and Centennial playgrounds. There were throngs of children on hand and ice cream, peanuts, boxes of candy, oranges and bananas were distributed to them. Mr. O'Connell was assisted in the distribution by Miss Beatrice Moore, Miss Ethel Hawker, Miss Aileen Davis, Miss Geraldine Wilson, Edward Dalton, Arthur Burns and Miss Emma Heffer.

HONORED ON BIRTHDAY.

A shower in honor of the birthday anniversary of Miss Agnes Cameron was given after the regular meeting of the Ladies' Auxiliary of Clan MacKenzie this week in Orange Hall in Germain street. The affair was a surprise to Miss Cameron and the first intimation she had of the event was when a large birthday cake appeared. The party sang many Scotch songs and the evening closed with Auld Lang Syne.
