Clean -- Sparkling -- Inviting

A GOOD meal, daintily served, is most fully appreciated when eaten in a room that sparkles with sunshine and cleanliness.

Your dining-room will always have this much-to-be-desired appearance if you use O-Cedar Polish, as directed, on the wood-work, floors and furniture.

A few drops of O-Cedar on a wet cloth will

form a soft lather which removes any dust and grime the furniture may have collected.

Over this clean surface simply rub a dry cloth. The "polish" that results from this treatment is bright and lustrous—it will cheerfully reflect the rays of sunlight that enter the room by day, and mirror the soft radiance of shaded lights after sunset.

O-Cedar Polish 50c. and 60c. a bottle, \$1.50 to \$3.50 per can.
