Southern League Ends.
 Birmingham, Ala., June 12.—Directors of the Southern Association of Professional baseball clubs today voted unanimously to end the present season. Lack of interest in the game increased transportation costs under the new passenger rates, and the draft expected to be made on players as the result of Provost Marshall General Crowder's "work or fight" regulations were assigned as the reasons for the action.
Patriotic Baseball League.
 The teams which are to participate in the Patriotic Baseball League, which is to be opened on Saturday afternoon by Mayor Hayes, are practising diligently for the coming contest. The Military Headquarters team held a practice game on Wednesday evening and the players gave a good account of themselves. The Y.M.C.A. team is also getting into trim, while the boys of the C.G.R. are said to be ready for the league opening. The senior battery boys are said to be ready to present a formidable line-up for the opening contest and refuse to divulge any information as to their star pitchers.

Larry Doyle Getting Better
 New York, June 12.—Larry Doyle probably will join the Giants ready to play second base within the next ten days. The Giants need Doyle badly, for his batting and his fielding, too. There is little danger of his recent illness affecting his play, for a physician who has been attending him assures him that he will have all his old speed despite the severe nature of his ailment. As Doyle is the leading baseman of the club, his return to the game should be particularly helpful in the drive of the Giants to regain the leadership.
MORNING NEWS OVER THE WIRES
 The medical council of Canada at its concluding sitting yesterday decided to hold the next annual meeting in Ottawa on the third Tuesday of June, 1919. Dr. W. W. White of this city was again appointed to the executive.
 At the annual meeting of the Moncton hospital board held last evening officers for the year were elected. The treasurer's report showed that the total receipts for the year were \$25,200.64. The matron's report showed that 381 patients were admitted during the year. Gideon Corey of Minto was killed yesterday while walking behind his horse and cart. It is supposed that the horse ran away and dragged him to death. He was in the habit of driving his horse with the reins around his body, as he had only one hand.

IMPERIAL TODAY In the Very Gayest of New York's Pre-War Whirl of Pleasure

"BROADWAY LOVE"

A Bluebird Production
 SHOWING HOW A SIMPLE LITTLE CHORUS GIRL escaped from a rollicking midnight party but not before she had changed the course of one man's life for the better and won the admiration of another—an admiration that was re-kindled years after. A swift-moving close-up of night life in the luxurious and care-free homes of some stage idols in a big city. Nothing risqué or offensive but "lively" is certainly the word.
