Captain H. N. Chipman of Nassau, Bamahas, now in Toronto as commissioner of the Bahaman Government to the National Exhibition, is anxious to return home immediately to organize a mounted troop in the West Indies for service abroad. C. S. Pickford of Halifax, representing the Royal Mail Steamship Company, British Guiana and the Windward and Leeward Islands at the exhibition, is co-operating with Captain Chipman to make the contingent representative of all the British West Indies. Although the population of the islands is small and scattered, they believe they can raise upwards of a thousand men, all good riders and crack shots.

### GIFTS FOR VOLUNTEERS

Friends Honor Lieut. Welsh, Lieut. Morgan and Captain Sturdee

Very touching was the send-off given to Lieut. Ernest Welch by his friends before his departure on Saturday evening for the Canadian training camp at Valcartier. Lieut. Welch, being a commercial man, has made a great many friends, every one of whom heard of his going with a pang of regret, yet with a certain sense of pride in being a friend of him who saw his duty and did not hesitate to fulfil it.

After a round-up of his friends in the city, about forty of "the boys" went to the armory on Saturday afternoon and, marching into the officers' quarters, took Lieut. Welch by surprise. Ernest A. March, on behalf of the donors, presented to him a fine wrist watch and a substantial purse. They also remembered the other two officers who were with the regiment and both Captain Sturdee and Lieut. Morgan received a purse of gold.

Speeches of appreciation were made by the recipients- and they were wished "God-speed."

When the parade of the volunteers to the depot was passing the Royal Hotel, a large crowd of Lieut. Welch's friends jumped into the line and accompanied him to the Union Depot. Here they gave a demonstration in his honor which will not soon be forgotten. Lifting him high on their shoulders, they carried him the full length of the platform to the waiting cars.

One of the last thoughts of Lieut. Welch was of his mother, whom he is leaving behind, and of whom he was the sole support. He made provision that while he is away a generous proportion of his pay should be reserved for her.

MISS MARY MURPHY DEAD

She was seventy-four years of age and had been an active member of the Church of the Assumption. She had a great number of friends, who will regreat to hear of her death. She leaves two sisters, Mrs. Hannah Lynch and Miss Annie O'Brien, both of this city. The funeral will be held from the Church of the Assumption at 8.80 on Wednesday morning.

CHILDREN RAISE MONEY

A sale of fancy work, ice cream and candy was held on Chas. Cowan's lawn at Renforth on Saturday afternoon which was very prettily decorated with flags, bunting and wild flowers, by the following little girls:—Gladys Price, Muriel Tapley, Helen McCready, Daphne Patterson, Margery Northrup, Mildred Wetmore, Muriel Lordly, Constance Cowan. The proceeds which amounted to \$52,00 are to be devoted to Miss Morton's free kindergarten in the southend of the city. The children deserve a great deal of credit for the way in which they worked in preparation for the ba-worked in preparation for th

TO INVESTIGATE

A Toronto man was before Magistrate Ritchie in the police court this morning charged with wilfully destroying property by cutting the two front tires of an automobile late last night, at a place about seven miles from the city. The occupants of the disabled car said that while they were out of the car the defendant, whom they had never met before, cut the tires in their car and that he and a party of others left immediately in their automobile, and the complainants had to telephone into the garage to send out another car to bring them back to the city. The defendant told the court that the tires had not been cut, but that he merely opened the valve and let out the air as a joke. He said he had already paid the damage and asked to be released, as he wanted to get back to Toronto. He was told by the magistrate that he was liable to two years in Dorchester, but he was allowed to go.

# Boys' School Wear

Great Care Should Be Exercised in the Selection

It has been said that/a Boy's School Outfit plays a by no means unimportant part in the making of his character, and to dress him well from the outset is to let him start on his career with the requisite amount of self-respect. Just now, when school is about to open, both mamma and her son are interested in the "apparel that

The great point is to choose something attractive and durable.

As for attractiveness, the cut and color should be carefully selected with a view to becomingness. The durability is quite as important, because, no matter how attractive clothes may be, they must also keep their shape, else they are a snare and a delusion.

The shoddy is the bane of the ambitious but thoughtless buyer.

THE FIXED PRINCIPLE BACK OF THIS STORE IS: RELIABLE FABRICS, THOR-

OUGH TAILOR WORK, CARE IN THE PRODUCTION OF STYLES. The new Fall styles are to hand.

No prices quoted! Take it for granted that every style of clothing a boy wears is here and at the right price.

COR GERMAIN GREATER OAK HALL SCOVIL BROS., LIMITED, St. John, N. B.

An event of most unusual importance will be conducted at this store on Thursday, Friday and Saturday of this week. It is called the final "Three Day" wind up sale, and offers, at most wonderful price reductions, every article of wearing apparel in the entire store. This in, itself should command your immediate attention, but when you take into consideration the fact that it is a still further reduction on Pidgeon's already low prices, it assumes proportions of immense importance to every workingman in St. John.

It is impossible to convey to you through mere words a picture of the wonderful economy that you can effect here, so we simply say: "Come and Look." We will not urge you to buy, because your own best judgment of good values and low prices will insist upon your supplying, not only your present needs, but your future needs as well. You know, of course, that this store is in the low rent district, and prices are extremely low anyway, and then when a further reduction like this comes, right in the face of the war scare, which promises high prices on everything, it is simply good business sense on your part to buy now and save many dollars.

The final wind-up of the auto contest is almost here, too, and this sale offers a splendid opportunity to get a lot more votes right at the last minute, and perhaps through them win this fine automobile, or at least obtain a splendid opportunity to get the piano.

If you are unable to take advantage of the many economies offered, be sure and tell your friends about it, and tell them to come, because men who have never traded at Pidgeon's find it hard to realize what extraordinary values it is possible to secure for little

Even if you do not want to buy, be sure and come down and see what unusual offerings we have prepared for this event. Perhaps there may be some item which you have not thought about with price so low that you simply cannot afford to resist buying it

We sincerely hope that we will see you here.

Yours truly, C. B. PIDGEON.
