The second matter of business arises from the report of the harbor committee of the board of the berths at Nos. 2, 3 and 4 wharves West St. John. He found that the slip has filled in considerably during the last year and that more dredging will be required. The report was read and agreed to do this work for the port free of charge and the board will inquire whether the present government will do the same.

NICKEL ON MONDAY THE BILL FOR THE NICKEL ON MONDAY is going to be particularly fine. There will be three magnificent films, as follows: "THE MACABEES"-A sumptuously staged and finely enacted biblical story, dealing with the life and times of the early martyrs, woven into a story of great dramatic intensity. "THE STREBON'S TEMPTATION"-An Edison classic. One of those grand special stories for which this company is already famous. A social drama, with its climax in a well-known metropolitan hospital. "A FRIENDLY MARRIAGE"-A charming Vitaphone in which the favorites play leading roles. It seems as if each succeeding Vitaphone film is more appreciated than the one before. NEW SONGS, NEW ORCHESTRAL MUSIC.

OBJECTION TO MR. SIME BEING ACCEPTED AS A CANDIDATE FOR COUNCIL Objections have been made and a protest will be entered against the acceptance of the nomination papers of John Sime who has entered the field in the parish of Lanseme as a candidate for the Municipal Council. The objection is the allegation that he is not properly qualified for nomination under the terms of the act. The act requires that all candidates shall be assessed on \$300 real property, \$600 leasehold property or \$1,000 personal in the county. Mr. Sime's assessment is said to be only \$300 personal property and \$100 income apart from his property in the city and it is held that the latter does not count in considering the qualification of the candidate for the municipal council from the district. Although there may be some question as to the interpretation of the act this is the meaning that has been given to it and the other candidates are anxious that the same view will be accepted in this election. The nomination papers were filed with A. D. Gaul, clerk of the parish of Lanseme without any objections on the part of the latter. SOCIETY LEAGUE BOWLING.
