EUUCATIONAL		THOAIMOD	MARCH.	APRIL.
JANUARY. This Month takes its name from the God Janus, to whom it was dedicated.	FEBRUARY.	colehrated during This was the first Month of	the Romulean year, and was so named because	April (Aprilis) is derived from the word aperire to open, because in this Month the earth seems to open her bosom and bring forth fresh products.
SUPERANNUATED TEACHERS must apply for pension between the lst of this Month and the lst of April.	om Februus, an ancient Italian divinity, whose rites were the latter part of this month—was the last Month oring the earlier ages of Rome, but the Decembers placed	it next to January.
