

## Money to Lend.

THE Canada Permanent Building and Savings Society, of Toronto, advances money on the security of improved Freehold Property, repayable by half-yearly or yearly instalments in from two to twelve years, at the choice of the borrower.

More than 3,49 loans have been made by this institution, amounting to upwards of Two and a Half Millions of Dollars, on approved securities, situated in all parts of Western Canada.

The present income of the Society from its members, amounting to \$25,000 per month, being applicable to loans, money can always be obtained without delay. The Society's terms with respect to conveyancing charges, rate of interest, mode of repayment, &c., have been materially reduced and simplified, and are now more than ordinarily favorable.

Application for advances may be made to the undersigned, or to any of the Society's Appraisers, from whom circulars exhibiting terms may be obtained.
