off the phlegm or mucous ; changes the secretions and purifies the blood ; heals the irritated parts ; gives strength to the digestive organs ; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is warranted to break up the most distressing cough in a few hours time, if not of too long standing. It is warranted to give entire satisfaction, even in the most confirmed cases of Consumption ! It is warranted not to produce costiveness (which is the case with most remedies), or affect the head, as it contains no opium in any form. It is warranted to be perfectly harmless to the most delicate child, although it is an active and powerful remedy for restoring the system. There is no real necessity for so many deaths by Consumption, when ALLEN'S LUNG BALSAM will prevent it if only taken in time. Physicians having consumptive patients, and who, having failed to cure them with their own medicine, we would recommend to give ALLEN'S LUNG BALSAM a trial. Sold by all druggists.

WHAT THE DOCTORS SAY.

Amos Wooly, M.D., of Kosciusko Co., Indiana, says : " For three years past I have used ALLEN'S LUNG BALSAM extensively in my practice, and I am satisfied that there is no better medicine for lung diseases in use."

Isaac R. Doran, M.D., of Logan Co., Ohio, says : " ALLEN'S LUNG BALSAM not only sells rapidly, but gives perfect satisfaction in every case within my knowledge. Having confidence in it, and knowing that it possesses valuable medical properties, I freely use it in my own daily practice, and with unbounded success. As an expectorant it is most certainly far ahead of any preparation I have ever yet known."

Dr. Lloyd, of Ohio, Surgeon in the Army during the war, from exposure contracted Consumption. He says : " I have no hesitation in stating that it was by the use of your LUNG BALSAM that I am now alive and enjoying health."

Dr. Fletcher, of Missouri, says : " I recommend your BALSAM in preference to any other medicine for Coughs."

Price 25 cents, 50 cents and \$1.00 per bottle.
