FIGHT ON A TRAIN
Robbers and Police in Conflict and Former Beaten.

VIENNA, April 11—An exciting fight between a gang of train robbers and two policemen took place on a night train running between Agram and Brod, in Croatia, yesterday.

The two policemen found an unfortunate traveller struggling with three men, two of whom were rifling his pockets, while the third was hammering him on the head.

The police at once attacked the robbers with their swords. One of them jumped off the train, which was travelling at express speed. He was killed instantaneously.

The other robbers climbed on the roof of the carriage, and as the train was passing over a bridge across the River Save, one of them jumped clear into the water, and it is believed he escaped unhurt.

The train stopped shortly afterward, and the third robber, who was still on the roof, was arrested.

SUICIDE OF A BARON
Fear of Russian Police Evidently Prompted the Act.

VIENNA, April 11—The suicide in mysterious circumstances is reported from Lemberg of Baron Friedrich Ehrenberg, who arrived there last night from Kiev, and threw himself out of a third-story window at 2 o'clock in the morning.

Baron Ehrenberg was a bachelor, 50 years old, and lived in Vienna. He was the last representative of the Catholic branch of an ancient family, dating back to the fifteenth century.

He left a letter running: "I swear by heaven I am an innocent and unconscious victim of the Russian Pristava (police commissioners). I did not know before I heard it from Burley."

The remainder of the letter is blotted with tears.

He also left a key to cipher notes, according to which he had occupied a high official position.

SYNOPSIS OF CANADIAN NORTH-WEST HOMESTEAD REGULATIONS.

Any even numbered section of Dominion Lands in Manitoba, Saskatchewan and Alberta, excepting 8 and 24, not reserved, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

Application for entry must be made in person by the applicant at a Dominion Lands Agency or Sub-agency for the district in which the land is situated. Entry by proxy may, however, be made at an agency on certain conditions by the father, mother, son, daughter, brother or sister of an intending homesteader.

The homesteader is required to perform the homesteaded duties under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year for three years.

(2) A homesteader may, if he so desires, perform the required residence duties by living on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.

(3) If the father or mother, if the father is deceased, of a homesteader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of the homestead, or upon a homestead entered for by him in the vicinity, such homesteader may perform his own residence duties by living with the father (or mother).
