benefit it should. The exertions of the gastric juice have been confined entirely to removing the unmasticated, undigested portions of food, which they cannot properly digest as speedily as possible from the body, therefore only giving the blood a small percentage of nourishment with which to feed the tissues. No wonder then that Indigestion and Dyspepsis attack the stomach. No medicine can surpass Burdock Blood Biters as a cure for this particular disease. It regulates the bowels, promotes perfect digestion, makes pure blood, tones the stomach, and thus restores perfect health to the debilitated system.

Mrs. Mary MacKay, Hunter's Mountain, N.S., writes-—"I was troubled with Indigestion for more than ten years. I tried several Doctor's medicines claiming the power to cure, but all without success. Having heard of the many cures effected by Burdock Blood Bitters, I decided to give it a trial. After taking two bottles I was completely cured. My appetite which was very poor, is now good, and I can eat most everything without any disagreeable feelings.

"I am the mother of twelve children. I took a bad leg at the birth of my last child. I was laid up five weeks, with a doctor attending me who does nothing but treat this kind of skin disease. Six weeks ago I heard of D. D. D. As I used to tear my leg at night until it was a bleeding mass I applied a bottle of D. D. D. I can't tell you the ease it gave me. I never used to sleep with the pain. Many a time I nearly fell with dizziness from want of sleep. Now my leg is completely healed up, thanks to the blessed D. D. D. I never expected a cure. I only got
