**DURNAN'S CHANCES WITH U. N. B. WON OVER CO. A. SATURDAY**

Writing in the Toronto News of the Barry-Durnan race from Putney to Toronto, Barry, who will take place today, Australian says:—

It is excellent news that Ernest Barry is to be called upon to defend the title he won on July 21st. It was obvious that, falling Arnat, the two most likely opponents of the Englishman would be Pearce and Durnan, and as it would be practically out of the question for either of these Welshmen to make the necessary arrangements to compete for the title this year—probably he will appear in an actual race for the title. That was on March 22, 1907, when he met George Towns on the Nepean River in New South Wales.

For years Durnan's name has been mentioned as that of a prospective world's champion—in fact, after almost every contest of the last decade the "Canadian" has been "heard from"—but he has only once appeared in a race for the title. That was on March 22, 1907, when he met George Towns on the Nepean River in New South Wales.

Canada—held the honors from 1896 to 1901, but in the latter years Towns, who had previously spent some time in England, scored a notable victory at Flat Portage. Durnan's visit to Australia was, therefore, something in the nature of a return of courtesies, and it is his experiences in the Commonwealth which afford perhaps the most reliable guide to his chances with Barry, for in 1908 the present champion won his first great victory by defeating Towns for the Championship of England Cup.

**Barry's Title Safe.**

If a true indication is given as to the relative merits of the two men who have now been matched by their performances against Towns, it is difficult to see how Barry's claim to be seriously threatened, for, although in 1908 Towns had probably got past his best form, it was only in the previous year that he decisively defeated Durnan, and the details of the race were such as to suggest that Barry's special facilities for covering long distances should not suit the Canadian at all.

Durnan's uncle, the great Ned Hanlon, also traveled to the Nepean to sustain a defeat, in his case at the hands of Barry, and it was noticeable that just as Hanlon always endeavored to get a good working knowledge of the powers of his opponents before they met, so Barry, at the request of the process by sculling beside Towns on every possible occasion. But it availed him little, for Towns never once looked like being beaten, and always hopped his man contentedly, rowed right away from him at the finish, and in not particularly fast time.

Whether or not Durnan really gave of his best on that occasion is the question which most materially affects the result of his contest with Barry.

**Alerts Defeat Parkdale.**

Hamilton, Oct. 12.—The Alerts defeated Parkdale in a senior contest in Rugby Football Union game today by a score of 36 to 1. The local team proved much stronger than any one had anticipated. Even the presence of the old Varsity star Hugh Gall on the back division for Parkdale did not enable them to more than score a single dead yard, while the Alerts tallied in every quarter with ease.

**Tigers Win.**

Toronto, Oct. 12.—In a game that consisted entirely of old fashioned Rugby, two backs and a kick, the Tigers defeated the Argonauts this afternoon at Rosedale by a score of 9 to 3. There was a perfect game of wind blowing which played havoc with the accuracy of the punting.

**CHAMBERS AND WINCHESTER THE WINNERS**

Chambers, of the local Y. M. C. A. won the 10 mile road race Saturday afternoon, in 57 minutes and 45 seconds. Thornton, of the Halifax Ox-Carters, was second, while Coward, of Fredericton, captured third place with Paterson, of the Halifax Wanderers, fourth and fifth.

The race started from a point a mile and a quarter beyond Rothesay and finished at Cooper's Corner, on the Marsh Road. During the race the contestants found the going hard and were greatly impeded by the pouring rain, which had turned the highway road into a succession of mud puddles. This did not deter the runners from making excellent time, however.

**U. N. B. WON OVER CO. A. SATURDAY**

Before a large and loyal audience of two, in a drizzling rain, and on a wet and muddy field, the 1912 football season in this city was opened Saturday afternoon when A. Company team went down to defeat before the U. N. B. fifteen by a score of 3 to 0, the try being made in the second half out of a scrum on the local team's five yard line.

Babe Church, the U. N. B. coach handled the whole matter and after the kick off the game evolved itself into an undignified scuffle in the mud, the U. N. B. boys having the better of the argument, and after the scrum work was concerned. During the play many amusing incidents occurred as the players were continually being dumped in the puddles, crawling out looking like life pictures of some patient medicine subject "before taking."

When the game started the play was rushed into the local territory, and during the first half worked continually up and down the field, Dr. Malcolm getting away with the ball for several exciting runs, one of which nearly resulted in a score. The half closed with the ball in local territory, although the touching was never in danger.

During the second half the training of the visitors gave them the advantage, and from the start the boys were entirely on the defensive, the visitors going over for the only score of the game a few minutes after play commenced. The remainder of this half was almost entirely played inside the St. John twenty-five yard line, the game closing with the locals fighting in the last ditch.

The teams lined up as follows:

**BRITISH FOOTBALL RESULTS**

London, Oct. 12.—The surprise of the day in the first league was the defeat at home of Everton by Bolton Wanderers.

The Tottenham Hotspur and North County match was subsequently abandoned.

Gloucester, Oct. 12.—In the Glasgow cup the Rangers beat the Celtic by three goals to one.

There were 10,000 people present as the whistle blew for the kickoff, while thousands outside rushed the gates, several being injured. The game was set at a cracking pace, which was maintained to the finish. The Rangers lasted best.

At the start of the second half Robertson, the Rangers' back, was injured and left the field.

The Rangers played a one back game which disconcerted the Celtic, the Rangers giving the latter no time to settle down.
