the effects of 'ft:' I helped to carry one fellow off the field. He had sunstroke from lying in the sun and no water to drink. When you lay on your stomach for about 10 of 12 hours in the heat of the day and the sand gets that hot that it will nearly burn you, it is no snap."

Yours, W. EARL ANDERSON,

day and the sand gets that hot that it will nearly burn you, it is no snap." Writing of the fight on February 28, he says it was the worst. When the Boers opened fire the Canadiahs were only 60 yards from the trenches "and it was a fire. You could see nothing but a flame and the first volley took down two of my chums and poor Alfred Simpson was hit in two places. I did not see him until he Maxim Gun Corps. "B" Squadron, C. M. R. P. S.-Be particular about the "Earle" as there are several Wm. Andersons in in two places. I did not see him until he

Bloemtontein, Private McCain says it is a Tornadoes in the West and nice place but "they don't charge you a Snow in the East, thing-30 cents for a package of cigarettes and for a loaf of bread two shillings."

A letter from Private George Rutter of Fredericton-one of the second contingent -was received last night by his brother, Mr. Thomas Rutter, of The Telegraph composing room. He writes from Matjes-fontein, April 10. He tried to get some bird of the received for the telegraph kind of souvenir in Cape Town to send home but there had been so many soldiers three injured. Wires are down in the afthrough the city that everything worth sending was gone. But he managed to get a three penny piece of Boer money and sent it. He writes that a Boer penny is worth two sovereigns at Cape Town and, "as the Transvaal currency will soon be a thing of the past, it will be worth having."

from his son: Stellenbosch, Cape Colony, S. A., Dear ------, I am sorry I have not had remained standing. H. H. Corbett's frame house and a barn would have gone down the narrow rock

April stin. Dear ______, I am sorry I have not had time to write you before this, but since leaving Halifax I have been very busy. We were in Halifax six weeks that we might have been home only for the drill. We learned quite a lot there and especi-ally in riding. There were very few of us military riders. There is quite a difference in riding and in riding military iter and the bus and home when the tornado passed. A. D. Pierce's big hay barn was ruined and the bus and home when and the bus and home when the tornado passed. A. D. Pierce's big hay barn was ruined and the bus and the bus and the bus and the bus and home when the tornado passed. The house in which a Mr. Stone was The house in which bus no other arrest at the latter the tornado passed bus no splinters. The house in which a Mr. Stone was the scene of the explosion to Niagara Falls, and of their arrest at the latter place

The house in which a Mr. Bound one place. living was ruined by the wind, but no one place. Several witnesses, subpoenaed by the ference in riding and in riding military fashion, as I soon found out. Well, we had a long trip on the boat. It took us was hurt. The Presbyterian church in town is wrecked beyond repair. A brick building was blown down and a large amount of damage done in other parts of the town. Norway, Me., May 5.—This section was visited by a snow storm last night. Some early crops just coming up, suffered con-iderable damage. Lyon, N. Y., May 5.—The fruit crop in Wayne county has been damaged greatly 28 days, to within 15 minutes, from the day we left Halifax, until we dropped an-It was er. We chor in Table Bay, Cape Town. a very pleasant voyage, however. We were all sick the first four days and those were the only stormy days we had. All the rest of the time the weather was

lovely. The closer we got to the equator the warmer it got and the day we crossed the line I thought we would all suffocate with the heat, but we pulled through all right.

The fire in the docks consumed the sheds upon the piers and then burned the pil-ings down to the water's edge. The tugs and firemen finally drove the flames back from the piers. Piers 1 and 2 are total losses. The ship The fire in the docks consumed the sheds upon the piers and then burned the pil-ings down to the water's edge. The tugs and firemen finally drove the fames back from the piers. Piers 1 and 2 are total losses. The ship Josephus, belonging to Arthur Sewell, of Maine, was destroyed. She had been load-ing with case oil for China ports and the flames spread over her so rapidly that she could not be saved. The loss to the Standard Oil Company will be about \$400,000 on buildings, docks. The loss to the standard Oil Company will be about \$400,000 on buildings, docks, will be about \$400,000 on buildings, docks, oil and machinery. The aggregate loss to private individuals is estimated at \$100,000. Officials of the Standard Oil Company are of the opinion that the fire started on one of the pile drivers. They say it would have been impossible for the strikers to set the fire

district. Lord Minto attended the Senate have been impossible for the strikers to set the fire, as they could not pass through ber today and gave the royal assen number of bills, including the gr \$100,000 for the postawa, and Hull i

\$100,000 for the gottawa, and Hull 1 lief fund. Wellington, N. Z., May 7.—The go ment of New Zealand, after consult with the legislators, has decided to for to the Canadian premier, Sir Wi Laurier, the sum of £5,000 in aid of sufferers from the Ottawa fire. Ottawa, May 7.—Sir A. Milner c the governor general as follows:

Ottawa, May 7.—Sir A. Milner c the governor general as follows: "Cape Town, May 7.—A fund for t a lief of the sufferers by the Ottaw opened in Cape Town and nearly 22 subscribed in three days. This is not a r town and citizens have enormous demar on their purses at the present time. sponse due to strong feeling of gratitu for Canadian help in war; appreciation
