

Report of Session.

THE SESSION must again acknowledge the many great blessings which the Giver of all good has showered on us during the year. We pray that the seed sown at the public services on Sabbath, the Sunday school, Bible class, the weekly prayer meeting, the meetings of the Christian Endeavor Societies, also the Word quietly and prayerfully taught in the home, may bear fruit an hundred-fold—to the glory and honor of God. The attendance at the Bible class and Sunday school has increased; we are thankful to see this, and would like to see increased attendance at all meetings.

The Session this year is unbroken, but many of our families have been called upon to suffer the loss of loved ones. May He who is "the Resurrection and the Life" "bind up the broken-hearted."

We wish to acknowledge the faithfulness of all the laborers in the various departments of our church work.

Baptism was administered to 32 infants and 4 adults.

The Lord's Supper was observed four times. It is gratifying to see the large attendance of members on these occasions. We added during the year 94 members—49 by profession of faith, and 45 by certificate. The removals were 14 by death and 34 by certificate. We revised our roll in December, and found that we have 711 members now present in the congregation.

For Miss Duncan in India we again ask your prayers, that God will preserve her and bless her work to the saving of many souls.

"Be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord."
