

*The Christmas and New Year's celebrations are over for yet another year — we bid adieu to 1985, and look forward to 1986. We hope that the new year will bring prosperity and peace for all.*

*With this first edition of 1986 we would like to take the opportunity to express our sincere appreciation to all those who have continued to support the Quarterly: Our Associate Editors in all divisions, whose names appear on our masthead, and who in addition to their duties in the Force, solicit, gather, compile, and forward to us articles that appear in these pages; S/Sgt. Norm Muffitt of Edmonton Air Detachment who creates our cartoons and is ever-ready to supply us with illustrations; Stan Horrall, Dr. Bill Beahen, and Glen Gordon of the Historical Section in Ottawa whose assistance, critique, and knowledge we could not do without; the Field Identification Units which supply us with most of our photographs, and the Forensic Photo Section of "I" Directorate which provides us with custom-development services; the RCMP Veterans' Association for their constant support and contributions; and our authors, whether retired or active members of the Force or private citizens, who fill our pages with articles of interest and information.*

*Thank you!*
