The Wellington
 is more than a good pipe—
 it's a W.D.C. Pipe, a genuine French briar; it's a good smoke; it's peace; it's comfort; it's quiet meditation—all done up in one sweet brown package. The well catches all moisture and the top-opening bit sends the clean, dry smoke up away from your tongue. Good dealers have the Wellington in the shape and size you want, at \$1.00 and upward.

Soldiers Aid Commission.

In yesterday's issue it was reported that Pte. Becker and Pte. Aylwood arrived here but being unannounced they were not met. Enquiries this morning revealed the fact, that Pte. Aylwood arrived alone, no notification having been received from Toronto he was not met. Pte. Becker arrived with Pte. Leroux and although word was received only at the last minute of their intended arrival the local branch of the Soldiers Aid Commission immediately set to work notifying citizens and were thus able to give the boys the kind of welcome they deserve. The work of the Commission is difficult in the extreme for in the majority of cases it is the only channel through which relatives of the soldiers are notified as to their arrival, and owing to the large number of boys returning now the headquarters of the Commission in Toronto have a great task to notify the different destinations in time.

Threat to Hamilton's Mayor.

The Hamilton Board of Control was advised by Bell & Pringle, acting for the Stipe estate, that unless the nuisance caused by the city of Hamilton allowing sewage to flow into Stipe's Inlet is stopped, application will be made for the commitment to jail of Mayor Booker and City Engineer Gray. The application is to be made next Thursday at Osgoode Hall.

Mayor Booker did not seem disturbed over the threat, and City Engineer Gray was not present. The board appointed a committee to go into the matter complained of and take steps to remedy the trouble. Are your hands chapped, cracked or sore? Have you "cold cracks" which open and bleed when the skin is drawn tight? Have you a cold sore, frost bite, chilblains, or a "raw" place, which at times makes it agony for you to go about your household duties? If so, Zam-Buk will give you relief, and will heal the frost-damaged skin. Anoint the sore places at night, Zam-Buk's rich healing essences will sink into the wounds, and the smarting, and will heal quickly.

Mrs. Yellen, of Portland, says: "My hands were so sore and cracked that it was agony to put them near water. When I did so they would smart and burn as if I had scalded them. I seemed quite unable to get relief from anything I put on them until I tried Zam-Buk, and it succeeded when all else had failed. It closed the big cracks, gave me ease, soothed the inflammation, and in a very short time healed my hands."

Dr. B. also cures chapping, rashes, winter eczema, piles, ulcers, festering sores, sore heads and heels, abscesses, pimples, ring-worm, etc., cuts, burns, bruises, scalds, sprains. Of all druggists and stores, or put free from the Zam-Buk Co., Toronto. Price 50c a box.
