THE LATE DR. ELEANOR A. ORMEROD.

---

Press cablegrams of the 19th July announced the sad tidings of the death of Miss Eleanor A. Ormerod, of Torrington House, St. Albans, England. This accomplished and estimable lady was a recognized authority on economic entomology, and had during a long series of years prepared and published numerous Reports and Manuals upon injurious insects, and of great value to the agricultural interests of Great Britain. As a recognition of prolonged and valuable work, she was created an LL.D. of Cambridge, and she was a fellow or honorary member of many scientific bodies. As one the few Corresponding Members of the Ottawa Field-Naturalists' Club she evinced much interest in its progress and in the investigations of its members —W. H. H.
