SUITS FREE!

Remarkable Cloth that won't Wear Out!

Now readers, would you like a suit or pair of pants absolutely free! A most astounding offer is being made by a well-known English firm! They have discovered a remarkable Holeproof Cloth. You can't tear it! Yet it looks just the same as \$20 suitings. You can't wear it out no matter how hard you wear it, for if during six months of solid hard grinding work every day of the week (not just Sundays), you wear the smallest hole, another garment will be given free! The firm will send a written guarantee in every parcel. Think readers, just \$6.50 for a man's suit, and only \$2.25 for a pair of pants, sent to you all charges and postage paid, and guaranteed for six months' solid grinding wear. Now don't think because you are miles away you cannot test these remarkable cloths, for you simply send a 2 cent postal card to The Holeproof Clothing Co., 56 Theobalds Road, London, W.C., Eng., for large range of patterns, easy self measure chart and fashions. These are absolutely free and postage paid. Send 2 cent postal card at once! Mention The Western Home Monthly.

1430—An Up-to-Date and Practical Style—Girls' and Misses' Combination Corset Cover and Petticoat—Lawn, cambric, batiste, crepe, or silk could be used for this style. If developed separately the same materials are good for both. Sateen or flannel could also be used for the petticoat. The ruffle may be omitted. The pattern is cut in 5 sizes: 12, 14, 16, 18 and 20 years. It requires 3½ yards of 27-inch material for the skirt, and 1½ yards for the corset cover, with 3½ yards of 6-inch flouncing for the ruffle, for a 14-year size. A pattern of this illustration mailed to any address on receipt of 10c in silver or stamps.

1593, Waist—1594, Skirt—Composed of Ladies' Waist Pattern 1593 and Ladies' Skirt Pattern 1594—This combination is especially nice for mature figures.

1570—Ladies' Apron—The good points of this model will readily appeal to the neat and busy housekeeper. This style is confined at the waistline, presenting a neat and trim appearance. It is not cumbersome or uncomfortable. It amply protects the dress underneath, without waste of material. The belt and back closing will hold it firmly in position. The design is good for percale, gingham, lawn, chambray, drill, sateen or alpaca. The collar may be omitted. The pattern is cut in 3 sizes: small, medium and large. It requires 4½ yards of 36-inch material for a medium size. A pattern of this illustration mailed to any address on receipt of 10c in silver or stamps.

1578—Ladies' Dress, with Sleeve in Either of Two Lengths—For morning wear this style will be nice in linen, percale,

The waist is made with full fronts that are finished with revers portions and open over a vest that may be of lace embroidery or matched satin. The skirt has six gores and shaped trimming sections over the fronts. As here illustrated, brown novelty suiting was used with velvet for trimming. Blue serge with matched satin is also good. If desired, the waist and skirt may be made as separate garments. Silk or crepe could be employed for the waist and broadcloth, serge or gabardine for the skirt. The pattern for the waist is cut in 6 sizes: 36, 38, 40, 42, 44 and 46 inches bust measure. The skirt pattern is cut in 6 sizes: 24, 26, 28, 30, 32 and 34 inches waist measure. It requires 3½ yards of 36-inch material for the waist, and 4 yards of 44-inch material for the skirt for a medium size. The skirt measures 3½ yards at the lower edge. To make the skirt and waist of one material will require 8 yards of 36-inch material. This illustration calls for two separate patterns which will be mailed to any address on receipt of 10c for each pattern in silver or stamps.

gingham, poplin, or flannelette. It will also make a good business suit in serge or gabardine and is a splendid style for taffeta, velvet or crepe. The waist is full below the square yoke portions, and its fronts are crossed in surplice style. The sleeve is close-fitting in wrist length. The short sleeve has a neat turnback cuff. The pattern is cut in 6 sizes: 34, 36, 38, 40, 42 and 44 inches bust measure. Size 36 requires 6½ yards of 36-inch material. The skirt measures about 3½ yards at its lower edge. A pattern of this illustration mailed to any address on receipt of 10c in silver or stamps.

1585—Ladies' Skirt—In Raised or Normal Waistline with or without Girdle Yoke—Broadcloth, cheviot, tweed, velvet, gabardine, serge, voile, taffeta, velvet and corduroy are all suitable for this style. The yoke could be of contrasting material. It is finished with a point over the centre front, and may be omitted or the skirt portions underneath may be cut away. The pattern is cut in 6 sizes: 22, 24, 26, 28, 30 and 32 inches waist measure. It requires 3½ yards of 44-inch

Had Dyspepsia.

Says: HE NEARLY TURNED UP HIS TOES.

Burdock Blood Bitters CURED HIM.

Mr. H. N. Manderson, Stettler, Alta., writes: "About twenty-five years ago, in the Province of Quebec, I came pretty near turning up my toes with dyspepsia. A cousin of mine persuaded me to try Burdock Blood Bitters. In about two weeks I could eat anything from raw fat pork to unleavened bread. Three bottles did the job, and I have never been troubled with my stomach since. You would say that this is wonderful if you could only see what we sometimes have to live on in this country; bannock, half cooked beans, etc."

Burdock Blood Bitters has been on the market for the past forty years, and cannot be excelled as a medicine for all diseases or disorders of the stomach.

B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
