

Major dance event at Fredericton Playhouse

Les Grands Ballets Canadiens is internationally acclaimed as a "world-class" company. "Les Grands Ballets Canadiens is a magnificent ballet company that combines the beauty and grace of classical ballet with the emotion and energy of modern dance." (Halifax 1985) "This company of 38 dancers is fascinating; they virtually dance the anthology of 20th century ballet. Their style is light, vivacious and diverse with a strong emphasis being placed on creation." (Spoleto, Italy, 1985)

Les Grands Ballets Canadiens is a risk taker and a trend-setter. Long before many American and European ballet companies took innovative steps to usher in 20th century dance, Les Grands Ballets Canadiens was presenting the works of such modern

Americans as Paul Taylor and Lar Lubovitch and opening the way to such talented Canadians as Linda Rabin and Judith Marcuse. It is an artistic direction that has won attention. The New York Times wrote: "A Company to cheer about...does not seem to be suffering from hardening of the toe shoes."

Les Grands Ballets Canadiens tours extensively throughout the world. Major engagements have taken them on exhaustive tours of South and Latin America, Europe, Southeast Asia, Near East, the United States and Canada. "There's something very special about Canada's most creative troupe...if your tastes in dance are broad and eclectic, you should see these magnificent Montrealers." (Toronto Star, October 1983)

A dramatic moment to be experienced with Les Grands Ballets Canadiens.

The joy of the dance: Les Grands Ballets Canadiens hoof it to the max.

Tonight and tomorrow night Fredericton is privileged to be able to host an exceptional dance group Les Grands Ballets Canadiens. Because of the thuggish nature of the entertainment staff we will rely on the learned opinions of

other authorities. Les Grands Ballets Canadiens will be playing tonight and tomorrow night at the Fredericton Playhouse. Do not miss this major dance event. For more information call 458-8344.
