Ottawa, 8th February, 1911.

Sir,

On the 6th August the Department wrote you in regard to the question of the purchase of land for a cemetery for the Indians of the Temisamingue Band. You were told to state whether there is any vacant land on the reserve, suitable for a cemetery, which could be used for that purpose. The letter in question remains unanswered. The Department desires that you will furnish the information asked for without further delay. In future you should bear in mind that all communications from Head-quarters should receive prompt replies.

Your obedient servant,
