Ottawa, February 12th, 1913.

Rev. Sir:-

I have to acknowledge the receipt of the applications for the admission of the two children of the Oneida Band to the Mount Elgin Institution. In reply, I beg to say, that these applications are approved of, and it will be necessary to have these children examined at the first opportunity and Medical Certificates furnished. This action should be taken both in the interest of the school and the pupils already there.

The Department desires to retain the original applications but is forwarding you copies. In future cases you will be good enough to forward originals and keep copies at the Institution.

Your obedient servant,

  
 Assistant Deputy and Secretary.
