Gleaned From Life's Pathway, by Rev. Manley Pritchard, is a splendid book in attractive binding. It is full of touching incidents. It illustrates the joyful exit of the saints as they bid adieu to things of time; also the gloom of those who reject the Christ. It is a book for everybody, from the tiny tot who is learning to read to the old grey-haired veteran just on the border-land. It will inspire tears of gladness and shouts of joy to the saint, and sound the note of warning to the sinner. Just the book for preachers and evangelists. It should be in every home. Every one should assist in spreading it broadcast.

G. A. CHRISTIE.
