THE RABBIT AND THE CHICKA-DEE

Peter Rabbit has his home
In a hollow tree,
In winter time he sits alone
But for a chicka-dee.

The chicka-dee sings dee-dee-dee,
I love the ice and snow,
Cries Peter Rabbit wee, wee, wee,
I'd rather reap and mow.

For Peter Rabbit loves the sun,
And clover blossoms gay,
He loves in leafy dells to run,
And while the time away.
