"Now and again you have the extreme luck to run across a book that is really FUNNY. Not the machine-made, madly-advertised type. 'The Need of Change' is the kind that usually you pick up by accident, start to run through casually, find yourself startled into a chuckle by some unexpected humorous line, and end by reading every word with zest and hustling around to loan it to your friends. . . . Keeps the reader in one continuous howl; the fun never becomes forced. A gem!"—*Philadelphia Item.*
