

4th. Each Provincial Association shall send to the Secretary of the Dominion Rifle Association, on or before the 6th June, the full details of the scores made in the 90 rounds by the men from whom they desire the final selection to be made—namely, ten from each Province—such scores to be certified by the officer designated by the Adjutant General, and under whose supervision the firing took place.

5th. The said officer shall accompany his certificate by a report of the circumstances under which the firing took place, especially as to the state of the weather, light, force and direction of the wind, and the state of the atmosphere.

6th. From the forty scores so submitted, the Executive Committee will select twenty to proceed to Wimbledon, and as soon as the selection has been made, the names will be telegraphed to the Secretaries of the respective Provincial Associations.

7th. The twenty so selected must report themselves at the Brigade Office, Quebec, at noon on the 21st June, to the officer appointed by the Adjutant General as Captain of the Team, when they will be required to subscribe to the rules and regulations approved by the Adjutant General for the governance of the Detachment.

8th. The expenses of the men to Quebec must be paid by the respective Associations, and their expenses from the time at which they report at Quebec, and while on duty until they return to their homes, will be paid by the Dominion Association.

In consequence of the above changes, it is desirable to postpone the Annual Match of the Association, proposed to be held at Ottawa on the 17th June, until the return to Canada of the Wimbledon Team—the date at which it is to be held to be subsequently determined by the Executive Committee, by whom due notice will be issued.
