Top Notchers

Wheat at Two Dollars a bushel is a top notcher and good for the seller.

A three years' subscription to the FARMING WORLD for Two Dollars is also a top notcher, and good for the buyer.

The real market value of the FARMING WORLD is One Dollar for one year, but for a short time only we will send it for three full years for \$2.00.

You may send in either arrears or renewals on this cut rate, but do it at once.

Our Poultry Number

will appear on March 1st, and will itself be well worth a very careful reading.

Advertisers

should send copy for the Poultry Number at once to ensure position.
