Big Sale at Uxbridge

"Lieutenant Colonel McGillivray's sale of sixty-two Scotch and Scotch-topped Shorthorns will take place at his farm adjacent to the town of Uxbridge on Thursday the 23rd day of February, 1905, commencing at 12 o'clock sharp. At the same time his farm implements, his other cattle and horses, including some registered Clydesdales, will be sold. His cattle include representatives of the well known Miss Ramsden, Mina, Missie, Glo'ster, Claret, Nonparel, Crimson, Stamford, Venus and Strathallen families, and includes the well known imported bull, "Scotland's Fame," which has been the head of the herd for two years past, and several imported cows.

Gossip

Mr. J. A. Jull, Barford, Ont., writes: "I have already 10 lambs from 10 ewes. The lambs are doing fine. My ewes are getting only pea straw till they lamb and then they get hay, barley chop and a few roots.

The best returns we ever had in the way of lambs was when a late frost, 5 or 6 years ago, made our winter's feed rather scarce, and the ewes were not fed as well as they otherwise would have been."

J. E. Brethour, Barford, Ont., breeder of Yorkshires, writes:

"Our winners at St. Louis comprised 12 firsts, 14 seconds, 11 thirds, 5 fourths, 4 championships, 4 reserve championships, 2 grand championships, 2 reserve grand championships and premier championships for breeder of large Yorkshires. Every animal shown by us was bred and fed at Oak Lodge with one exception, and this one traces directly to stock from our herd.

"The winning of a grand championship is a small thing to read about, but to produce an animal able to win not only against other animals of his own breed but against the pick of all other breeds, requires more than theoretical training. Oak Lodge Frederick, the grand championship barrow, was shown first in class for Yorkshire barrows, over 6 and under 12 months, here he won first and afterwards won championship for Yorkshire barrow, any age. He was then pitted against the champion barrow, over 6 and under 12, from each of the other breeds, winning the grand championship over all; he was also given reserve grand championship against all breeds and ages. The production of this breed is not by any means a chance shot, but is rather the consummation of breeding to an ideal. A glance at the breeding shows him to descend through seven generations of Cinderella sows, perhaps the most celebrated family or strain of Yorkshire pigs in America. His sire is a member of that other noted family of Yorkshires, being the son of Oak Lodge Julia 7th. The sire and dam of this wonderful pig are still in use at Oak Lodge."
