is Yours YOUR CHEESEMAKER turns out 20,800 lbs. of Your maker tells you that milk containing 1 lb. of butter fat will make 2.6 of Cheese. It, therefore, must hay a required 8,000 lbs. butter fat to make the June How Much of this June Cash is Yours? It will depend upon the amount of builter fat you supplied and if you may be a set of a second of a cover gave 5,400 bis of 3 per cent milk quilt to a set of a second second set of a second second set of a second secon (average on 100 Govt. tests), you would have 403.2 ibs. butter fat. 403.2 And you would receive 403.2 of \$3,120.00 or \$157.36-a difference of 1 411/10-3 uffarence offarence of approximately \$40.00 in cold cash, and from the same number of cows, MEASURE UP THE HERD TOU HAVE on your farm to-day against the above standard. You can be your own judge as to spirat they your herd is the profilable kind. If, however, you had a herd of 8 Ayrahires, giving 4.2 per cent. If you are not satisfied with their

record, why not improve it? Ayrshire blood will do it. They are high testors, thrifty and heavy producers. We shall be glad to send you full information about a pure-bred herd.

.....

- Avondale Holstein Bulls -

We have three extra good yearling buils, fit for heavy service, which we are offering at attractive prices

Here is one-Sire Woodcrest Sir Clyde, our 33-lb. Pietje bull. Dam, a 27% three-year-old daughter of King Pontiae Artis Canada, who has at five years more tested daughters than any bull in Canada. This helfer in turn is from a 19-lt, daughter of a 31-lb cow that also is a Canadian champion eight monihs after calving.

The other two are grand breading and from 20-1b cows. We have a number of youngsters unequalited in Canada for average in breading and want to clear all out. Two are aired by a son of MAT BORIO STI-VIA and from high record show cows, four months old. Sylvia has finished 100 days with over 600 the, butter and 12,600 fbs. milk.
