Wife to Husband.—Charles, I wish when you are
in the village to-day that you would step in to the
Druggist's and buy a bottle of the PAIN KILLER.—
Be sure and get the genuine, made by "Perry Da-
vis & Son."

Husband.—What on earth do you intend doing
with the PAIN KILLER, my dear?

Wife.—Perry caught a severe cold last night, and
can hardly speak, he is so hoarse, and George has
had the toothache since yesterday morning, and
yourself with the Rheumatism. If what everybody
says can be believed the PAIN KILLER will cure
these ailments, and such a house as this is, we
are always in trouble, and it would be a perfect god
send if we could find something to cure our lesser
afflictions.

Husband.—Well Mary, anything for a quiet home
—we will try the PAIN KILLER.

(To be continued).

The PAIN KILLER is an internal and exter-
nal remedy for pain. For internal pain, Cramps,
Spasms, Sudden Colds, and Bowel difficulties, a
few drops in water will give immediate relief. As a
liniment it is with out an equal; it stops pain almost
instantly. Be sure and get the genuine, made by
Perry Davis & Son, and sold by all Druggists and
Grocers.

The King of Sewing Machines

THE OSBORN LOCK STITCH Sewing Machine

Has now been tested beyond all question, and the
verdict of the public is that to-day it stands with-
out a rival. It is the most substantially built, has
the fewest working parts, and is beautiful in design
and finish. Has the best design of a shuttle, and
by far the largest bobbins. It is capable of per-
forming a range of work hitherto thought impossible
for Sewing Machines. Is sold at about one-half the
price of other Machines doing the like work, and is
equally at home on leather as on fine goods. A per-
fect machine guaranteed or no sale. It is the best
made, simplest, more durable and reliable than any
other single thread Machine. Larger and works
with greater ease. Will do all kinds of domestic
Sewing in a perfectly satisfactory manner. Has
taken first prize wherever exhibited.

Agents wanted everywhere. Splendid Inducements.
