

Invest your Money in Canada

The Dominion Government urges that Canadian Securities should be held by Canadian Investors. Taxation is likely to be imposed on non-Canadian Securities. You can be patriotic and at the same time, obtain a certain 5% for your money by investing your funds in

Standard Reliance Mortgage Corporation Debentures

This Canadian Security does not fluctuate in value. It is repayable at certain fixed periods. Meantime, it bears interest at 5 per cent., payable half-yearly at your local bank, in cash, on the day it is due.

Thousands of people have invested their savings in these debentures without the loss of one dollar invested. The debentures are issued in amounts of \$100 and upwards for a fixed period to suit your convenience.

Write for our booklet entitled "PROFITS FROM SAVINGS." It explains what these Debentures are and why they are so good a security.

Fencing? Yes, but what kind?

The farmer who thoroughly examines the relative merits of the various brands of wire fences offered to him will not have any difficulty about deciding upon the one he ought to have. Let him decide by that most unerring of all tests—weight. Why judge by weight? Because weight means strength, and strength means durability and long life. Of the different makes of wire fences, there must naturally be one that will weigh heavier than the rest.

The heavy-weight among fences is the "Ideal"

The reason is that all the wires are full gauge No. 9 hard steel wire; every wire is full of life and strength, and heavily galvanized to properly protect and preserve that strength. You therefore get longer service from "Ideal"—most for your money in strength, durability and all-round satisfaction.

Our Big Free Book

Points the easiest, cheapest and quickest way to pull and remove your stumps.

Land clearing is not the time consuming, money consuming, back breaking, heart breaking, never ending job it once was, if you clear your land by the Kirstin Method. This method pulls your stumps, clears the pulled stumps from your land and guarantees a saving of 10% to 50% over any other method. Before you clear another foot of land, find out what the Kirstin Method can do for you.

Kirstin Pullers are the very last word in up to the minute, twentieth century land clearing machines. Thousands of users testify to their superiority. There is a puller for every need. No matter what your clearing problem may be, there's a Kirstin to solve it.

Kirstin Stump Puller One Man — Horse Power

No stump is too big for the Kirstin Horse Power Puller. Its mighty strength is irresistible because of its triple power and other exclusive Kirstin features. It will clear more than two acres at one setting without strain to man, horse or machine. It has been a leader for 21 years.

One man without horses can pull the biggest stumps, too, with the Kirstin One Man Stump Puller. A little push on the handle gives tons of pull on the stump. This enormous power is developed by use of double leverage. It gives an ordinary 17-year-old farm boy a giant's power.

Our Free Book gives valuable information on all kinds of land clearing. It tells all about the Kirstin line of pullers—most complete in the world—and explains Kirstin Service, forever free to all owners of Kirstin Machines. It has many photographs of stumps that the Kirstin has pulled, and letters from the men who pulled them. Don't buy a puller until you read this book.
