LAST CALL FOR J. BRYDENE'S SALE OF IMPORTED SHORTHORNS.

The quality and breeding of the females to be offered at the dispersion sale of John Brydene, at Milverton, Ont., on Tuesday, January 24th, has seldom, if ever, been duplicated in a sale-ring in this country. They are big, deeply-fleshed, in prime condition, and regular breeders.

Lancaster Rose 4th (imp.) is a red-roan eight-year-old, by the great bull, Oom Paul, dam by Goldfinder, grandam by Gravesend. Two of her daughters of breeding age, by Imp. Sittytton Victor, and one granddaughter by Village champion make four of the great Lancaster tribe. Aggie 2nd (imp.) is a roan eight-year-old, by Paragon, dam by Sir James, grandam by Ivanhoe. Two of her daughters of breeding age, by Sittytton Victor, and a grandam by Contender, make four of this family. Duke of Richmond's Red Rose, Lily (imp.), roan, eight years old, is a Lauretta, by Sturdy Prince, dam by Prince of Fashion, grandam by Goldfinder. All of this cow's progeny are sold. She is an exceptionally good breeder. Mina 8th (imp.), by Oom Paul, dam by Rustic Chief, is an excellently-bred Mina, and there is a right good yearling daughter by Sittytton Victor, and heifer calf at foot by Contender. Dandy Lustre (imp.), a Duke of Richmond Lustre, in whose hands they have won many prizes, medals and championships, is by Morello, dam by Musgrave, grandam by Royal Benedict. There is a yearling daughter by Sittytton Victor that should be most interesting to Shorthorn breeders. Heiress 2nd (imp.), a Cruickshank Cashmere, is by Morello. Strathallan Passy, a red eight-year-old, sired by Edward 7th, dam by Bampton M. This cow is a remarkably good breeder, her calves, owing to their superior type, going off readily. She is now in calf to Contender. Everything of breeding age will be in calf to Contender. Many in the herd are eligible for registration in the American Herdbook. The quality of the whole lot will not be disappointing to visitors. Catalogues can be had on application to Mr. Brydene.

Durability

By

The Philosopher of Metal Town

Durability—just the difference between a roofing that lasts only a few years and one that remains in perfect condition for a life-time.

That's the difference between "Eastlake" Steel Shingles and other roofings.

Actual service is the only sure test of roof quality.

"Eastlake" Steel Shingles have been proven positively superior by the test of time.

Barn and house roofs covered 25 years ago with "Eastlakes" are in perfect condition to-day.

That's your proof—your only protection, and is safer than all the highly-colored, many-worded guarantees that really guarantee nothing.

"Eastlake" Steel Shingles are made of the finest sheet steel, and have a patented side-lock and gutter that locks permanently—makes the roof one sheet of indestructible steel.

They are easy to lay, and remain weathertight, snow, wind, rain, lightning and rust proof as long as the building stands.

Send for our illustrated booklet, "Eastlake Metallic Shingles." It gives more reasons. Write to-day—a postcard brings the booklet.

We also manufacture Corrugated Iron, Barn and House Siding, Metallic Ceiling, Eavetrough, Conductor Pipe, Ventilators, etc.
