"Opportunities in Nova Scotia"

Is the name of a little booklet which we are distributing among those Nova Scotians who are anxious that friends in other countries should know what opportunities for profitable investment are offered in this grand old Province of ours.

Agriculture, Fisheries, Mining, Forests, Manufactures, Sport Fishing and Hunting are in turn dealt with.

This little book contains a lot of information regarding Nova Scotia which we are particularly desirous of placing before investors and business men likely to be interested in such subjects. If you have any such friends we shall be very glad if you will send us their names and addresses.
