TELEGRAPHIC

OTTAWA, Feb. 21.-In the House of Commons to-dey, the debate was resumed. Hon: Mr. Howe spoke at length, contradicting the charges which had been brought against opposed it. him by the Toronto Globe in reference to his visit to the Red River territory. Hon Mr. Macdougall replied, severely criti-

of the Government of which he is a member. The report was adopted on Tuesday by a vote cising Hon. Mr. Howe's action in the North-

west. Galt replied to Finance Minister and Tupper, making important explanations about his views on independence. When a title was offered him by the British Government he felt that to accept it while holding his present views on the future of the Provinces, without fully explain-ing those views would be to accept the honor under false pretences. He, therefore, asked of the Governor General and received permission

the Governor General and received permission to put his views in writing, which he did in a letter to Earl Granville. He stated his belief that it was Imperial policy that Confederation the Legislature, was carried by a vote of ten to two. Hon. Mr. Seely had been called away, and Mr. Beveridge had arrived. The Legislative Council claims the Govshould lead to Independence, not immediately but ultimately. He was not at liberty to state the language of the reply; but after this dec-luration as his part the honor was conferred, therefore in his part the honor is his control to the necessity of having control of its whole therefore in his opinion on this subject he stood beside the Ministers of the Crown in England. In the functions and the maintenance of its

beside the Ministers of the Crown in England. He went on to explain that he would not approve immediate action, and would vote against any motion for independence to-day, because we are not ready for it; but it was the duty of public men to prepare the country for it as a change must come, and the chief complaint against the Government was because they gave we are taution to the prepare the council to this is, that though their advice), both appoint and dismissal must be by law.

more attention to the *personnel* of the Govern-ment and to maintaining the balance between factions than to working out the manifest des-

ment and to maintaining the balance between factions than to working out the manifest des-tiny of the country. OTTAWA, Feb. 22,—Last night Cartier spoke strongly, deprecating newspaper attacks on the Catholic Clergy respecting North West difficul-ty. He asserted in the strongest manner the thorough loyalty of the French Canadian peo-ple, and referred to American revolution, when thorough loyalty of the French Canadian peo-ple, and referred to American revolution, when French speaking Canadians remained true to the Crown, while other Colonies rebelled. He claimed that in consideration of their numbers chaimed that in consideration of their numbers. Here the matter at present rests. What the chaimed that in consideration of their numbers the Government might justly have appointed a French Government to the North West, though they had not done so. To-day Cartwright resumed the debate, re-viewing the financial condition of the country.

lieving that its ill effects still remain, but he would not offer factious opposition to good mea-sures emanating from the present Government. Huntingdon replying to the cnarge of disloy-alty by Sir Francis against independents, de-nominated him a Rip Van Winkle reminiscence rather than a reality. He denied the statement Huntingdon replying to the enarge of disloy-alty by Sir Francis against independents, de-nominated him a Rip Van Winkle reminiscence that he (Huntingdon) secretly favored Annexa-tion, declaring that he favored Indepedence as much from the belief that it was the best preven-tative to Annexation as from the fact of its be-ing the Imperial policy, and calculated to re-lieve Colonial disabilities. Sir Francis replied:— Sir Francis replied:— OTTAWA, Feb. 23.—The answer to the Ad-dress was adopted last night without division.
