Southern Piano House.

Wm. Knabe & Co., of Baltimore, and 5th Avenue, New York. The oldest Piano Manufacturers in America. This firm have one of the finest and largest factories in the world (5 stories, covering about two and a half acres. For nearly half a century the name has been a guarantee to those looking for

THE VERY BEST PIANO
that could be produced. They have unostentatiously won their great reputation by solid merit alone. During their history hundreds of firms in their line have had a puff up, while they have steadily gone on until now they enjoy a reputation not surpassed, if equalled, in the world. Owing to the large demand for these Pianos in the

United States and Canada, and even in Europe,
combined with the high price they command, they have never been offered to the people of Nova Scotia, but being

DETERMINED TO BE FIRST IN OUR OWN LINE
we have the pleasure to announce that we have secured the Sole Agency for these noble instruments, and now with our varied stock can please the Artist, the Wealthy, the Refined, and Everybody else. THE CYCLOPAEDIA OF METHODISM IN CANADA.
By the Rev. GEORGE H. CORNISH.

This invaluable work of reference is the result of many years' labor and research, and is a complete repository of everything connected with Canadian Methodist History. Every Methodist Minister and every Methodist Family should have a copy.

The Cyclopaedia contains twenty-six illustrations, a full record of twelve hundred and twenty-nine Ministers, with the names of all the Ministers mentioned on them, their membership and contributions to Connexional Funds for each year. A complete Ministerial Record of twenty-five hundred and eighty Ministers and Probationers for the Ministry, showing period of residence on trial, ordination, official position held, degrees conferred, date of removal, location, death, etc., with full index, making it easy to find any District, Circuit, Mission or Minister.

The Cyclopaedia will prove to be a reliable and scientific work of reference, on all the Statistics, Circuits, Missions, Ministers, Colleges, Graduates in Divinity, Law, Arts, Science and Medicine, Statistics, Connexional Funds, Meteorology, Chronology and History, connected with the branches of Methodism now embraced in the Methodist Church of Canada, from its beginning in the several Provinces of the Dominion and Newfoundland to the Annual Conferences of 1880.

The Cyclopaedia is a large royal octavo volume of 500 pages, thus exceeding by 200 pages the estimate stated in the Prospectus, and being largely increasing the cost of publication. It will, however, be sold at the price stated in the Prospectus, viz:—

Cloth Binding, \$4.50 net;
Shoos, \$5.00 net.

Orders for the above may now be sent to
Methodist Book Room, Halifax.

CRITICAL NOTICES OF THE ENGLISH PRESS.
The Baptist Magazine writes:—"The service that Dr. Young has rendered the Biblical Student by his gigantic labor is inestimable in its worth. We hope our churches will give this book to every Minister as a Christmas present."
The Nonconformist writes:—"It has been a labor of the kind seldom undertaken by one man. We congratulate Dr. Young on its completion. And we congratulate Students of the Bible that they have such a valuable aid as this ready to their hands."
The Methodist writes:—"Of Dr. Young's qualifications for his task there is full evidence. For English readers there is no other Concordance to be compared with it."
The price of this book is to be advanced shortly.

THE BEST REMEDY

FOR
Diseases of the Throat and Lungs.
AYER'S
In diseases of the pulmonary organs a safe and reliable remedy is invaluable. AYER'S CHERRY PECTORAL is such a remedy, and its efficacy is so generally admitted that its use is a relief to the sufferer. It is a scientific combination of the medicinal principles of the finest drugs, chemically united, of such power as to insure the greatest possible efficiency and uniformity of results. It strikes the source of the disease, it cures the foundation of all pulmonary diseases, affording prompt relief and rapid cure, and is adapted to patients of any age or either sex. Being very palatable, the youngest children take it readily. In ordinary Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergymen's Sore Throat, Asthma, Croup, and Catarrh, the effects of AYER'S CHERRY PECTORAL are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every household for the protection it affords in sudden attacks of Whooping-cough and Consumption. There is no other remedy so efficacious, soothing, and helpful.

Low prices are inducements to try some of the many mixtures, or syrups, made of cheap and ineffective ingredients, now offered, which, as they contain no curative qualities, can afford only temporary relief, and are sure to deceive and disappoint the patient. Diseases of the throat and lungs demand active and effective treatment; and it is dangerous experimenting with unknown and cheap medicines. From the great liability that these diseases may, while so trifled with, become deeply seated or incurable. Use AYER'S CHERRY PECTORAL, and you may confidently expect the best results. It is a standard medical preparation of known and acknowledged curative power, and is as cheap as its careful preparation and fine ingredients will allow. Sentimental physicians, knowing its composition, prescribe it in their practice. The test of half a century has proven its absolute certainty to cure all pulmonary complaints not already beyond the reach of human aid.

Practical and Analytical Chemists,
Lowell, Mass.
