A Physician's Testimony for Labatt's Ale

"We find that the ale uniformly and well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste, likewise, is always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—SUPERINTENDENT OF LARGE U. S. HOSPITAL.

The Habit of Thrift

formed early in life tends greatly to one's future advantage.

One of the best ways to commence, and the surest way of continuing the habit, is to take out a policy of life insurance, by means of which a person is enabled to save money.

By this approved method of thrift one's own future comfort is ensured, as well as that of those depending upon him during the meantime.

You had better get the habit at once by consulting one of our representatives regarding a policy or by writing to the
