

Imperial Rice Milling Co., Ltd.

VANCOUVER, B.C.

We are offering the best value
in Rice on the Canadian
market to-day.

Before you build your home

You will save many dollars, avoid many mistakes, and add vastly to the satisfactoriness of final results if you make yourself thoroughly familiar with the book—

Building a Home

By Desmond and Frohne

These two men are editors of the *Architectural Record*, the leading paper in its field on this continent. The book is full of sound sense, and is inspiring and educational. Many fine illustrations assist the text.

The price, post paid, is \$1.65 (\$1.50 at our office). This price is as nothing in comparison with the value of the book to those planning to build.
