

“TESTED”

The Last Word in Rock Drills

TESTED—the clinching quality or proven durability—means much to rock drill users. It means sure service—a long life for the Drill—and durability wherever used, with no long stops for repairs, because it is proven service.

Hundreds of Cleveland users after a long service of constant use against all conditions have sent back the verdict that for durability, labor and time saving “Cleveland” excels all.

We can prove these facts by use if you will only write for our Bulletin No. 35A.
