

FIFTH.—That the establishment of Saint Paul's will require one Superintendent and six other persons under his direction, with boats and a continued supply of provisions, clothing, bedding, fuel, &c. for the use and assistance of shipwrecked persons; and that the establishment at Scattarie shall consist of one Superintendent and three other persons, with a boat and a continued supply of provisions, clothing, bedding, fuel, &c. for the use and assistance of shipwrecked persons. That all the Lights shall be kept burning throughout the year. As to the maintenance of the said Lights and humane establishments, it will be apportioned and borne as follows, that is to say: *First.* New-Brunswick shall pay to the Government of Nova Scotia, into the Treasury thereof, two hundred and fifty pounds Halifax currency, on the first day of July in each and every year after the said Light Houses and humane establishments shall be in operation and as long as they shall continue to be so in conformity with the provisions of this award. *Second.* Lower Canada shall pay to the Government of Nova Scotia, into the Treasury thereof, two hundred pounds Halifax currency, on the first day of July of the first year after the said Light Houses and humane establishments are in operation; and then at the same period in every year as long as they shall continue to be so, a proportionate part of a sum which added to the unexpended balance (if any) remaining from the preceding year's, (New Brunswick being in this respect considered as having contributed the same amount as Nova Scotia) as shall amount to a sum of one thousand and thirty pounds currency. *Third.* Prince Edward Island shall in like manner pay to the Government of Nova Scotia, into the Treasury thereof, thirty pounds Halifax currency, on the first day of July of the first year after the said Light Houses and humane establishments are in operation; and then at the same period in every year as long as they shall continue to be so, a proportionate part of a sum which added to the unexpended balance (if any) remaining from the preceding year's, (New Brunswick being in this respect considered as having contributed the same amount as Nova Scotia) as shall amount to the said sum of one thousand and thirty pounds currency. *Fourth.* Nova Scotia shall itself contribute a sum of two hundred and fifty pounds Halifax currency, for the first year after the said Light Houses and humane establishments are in operation; and then for every year as long as they shall continue to be so, a proportionate part of a sum which added to the unexpended balance (if any) remaining from the preceding year's, (New Brunswick being in this respect considered as having contributed the same amount as Nova Scotia) as shall amount to the said sum of one thousand and thirty pounds currency. And with the amount so contributed the Government of Nova Scotia shall uphold, support and maintain the said Light Houses and humane establishments; it being fully understood that in case the said amount should prove insufficient in any one year, the deficiency ought to be provided by the respective Legislatures of Lower Canada, Nova Scotia and Prince Edward Island, in such manner as shall appear to them most eligible, and in the same ratio as the contribution settled in this present award: but as to New Brunswick the sum of two hundred and fifty pounds aforesaid, shall be a settled and permanent contribution, the overplus (if any) going to Nova Scotia, and the proportionate deficiency, if any, being borne altogether by the last mentioned Province of Nova Scotia, so as to have the expense and the contribution of Nova Scotia and New Brunswick considered as altogether alike in account with the aforesaid Provinces of Lower Canada and Prince Edward Island.

It is also expressly understood that if said Light Houses and humane establishments are destroyed or impaired by fire, tempest or other causes, that the expense of rebuilding or repairing the same shall not devolve on the Province of Nova Scotia alone, but be sustained by the Government of Great Britain, or as may be otherwise agreed and decided upon.

SIXTH.—That the Board of Commissioners of Nova Scotia shall render accounts in each and every year to the House of Assembly of Nova Scotia, duplicates of which shall be transmitted annually to the respective Legislatures of Lower Canada, New Brunswick and Prince Edward Island.

SEVENTH.—The Commissioners suggest that the several sums apportioned to the above mentioned Provinces ought to be permanently provided for by Acts of the respective Legislatures.

EIGHTH.—That as the establishments on the said Island are admitted to assume the importance of national rather than local structures, should His Majesty's Government contribute at a future period to their support by an annual grant, it is adjudged that a rateable deduction shall be made from the amount of each Provincial contribution.

NINTH.—That the respective Colonial Legislatures having acquiesced in the liberal offer of His Majesty's Government, and in a great degree assumed the responsibility of maintaining those Light Houses on the Islands of Saint Paul's and Scattarie, it is recommended that no time be lost in proceeding with the erection of the same by the proper authorities.

In faith whereof, we, the respective Commissioners, have signed this award and judgment, and have hereunto affixed our seals at Miramichi, this sixteenth day of August, in the year of Our Lord one thousand eight hundred and thirty six.
