### LIVE STOCK MARKETS TORONTO

The supply of cattle at the Union Stock Yards yesterday, around 5500 head was comparatively light and the prices in some classes a shade better.

There was a fair inquiry for some breed short steers; the light common cattle did not advance any and were very slow to sell. Cows and Bulls held about steady. Canners also were steady \$2.35 being the prevailing price.

The immediate prospects are no better than steady. At the close quite a few cattle were left unsold, among them some useful loads of butcher steers and heifers.

With 4500 sheep and lambs on the market trade was easier; choice lambs selling at from \$12 to \$18 with an odd fancy lot a little higher. The market was fairly well cleaned up.

With around 200 calves on the market all classes were very slow of sale. It is a long time since the calf market at the Union Yards was more absolutely lifeless than it was yesterday.

#### The Family Herald and Weekly Star

The Family Herald and Weekly Star of Montreal has announced that after December 31st, 1920, the subscription price of that great weekly will be \$2.00 per year in Canada, England, Ireland or Scotland, and \$2.50 to the United States. The recent heavy increase in the cost of white paper make the slight advance necessary, in fact it is only a small portion of the increased cost over pre-war prices of production. All renewals and subscriptions, the publishers say, mailed before December 31st, 1920, will be accepted at the old rate of \$1.50. Even at the advanced price of \$2.00 a year the Family Herald is regarded as the best value on the Continent. It is acknowledged to be absolutely without a rival, hence its enormous circulation.

For Sale—Practically new binder, only cut 25 acres. Will be sold cheap. Apply at this office, or Box 87, Mildmay.
