## BRANTS LOST MORNING GAME, BUT WON IN THE AFTERNOON

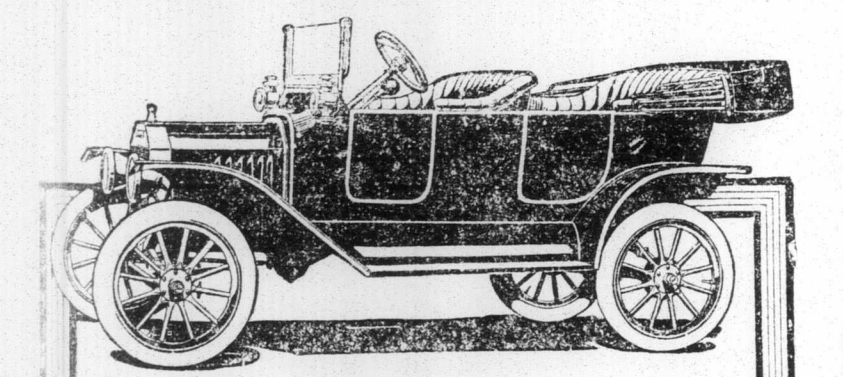

Locals Failed to Come Across With the Necessary Bingle in the Seventh—Redeemed Themselves in the Afternoon.

Warner split the beans yesterday when he fled high in the seventh inning, he being the third man up with Foran and Lamond on the last two bases. Driving hard, he sent high for an easy catch, and from Woods' peg to plate Foran was caught sliding home. Matty Lamond failed to advance to third, and Green, the next man up, was an easy out. Be it understood that at this time the Indians were only a single tally behind Crisall's boys, and now presented with a lovely chance to go to the front when

Foran got first on a boot and Matty landed heavily on the pill for a two-bagger. Two men were on bases and none out. Warner stepped up to the plate, and by fying high gave the Hams an opportunity which they did not neglect. With a swift peg two men were down and a golden chance was gone.

Well might Dolan chance to remark that they had failed when they had the chance of the game. Not one of the two thousand fans who parted with the necessary fee to witness the game, was agreed that the Brants should have lost. With a little ginger they should have simply cleaned up on the opposition, and not have added to the ever growing list of games which reduce the average. It is admitted that they took the lead in the second innings on a veritable gift for Dunlop had walked and Foran succeeded in making two bags on a single and a wild peg by Catcher Pembroke. Lamond sending Dunlop across. Errors were responsible for this tally, but it counted.

Retaliation was swift, for Broadbent opened the third with a two-bag swipe and Linneborn singled after Dolan had fanned. Harris stroled up and made his first hit of the season, a three bagger, sending two home. Here Dunlop was found asleep, Crisall stealing second on him when he had the ball in his hand. Warner tightened up. Changing his delivery, he puzzled Tiffany and Woods and

they were retired in order. Returning in the fourth, Rube's aggregation came back to the attack. Mullin made the second bag on a single and an overthrow. Fried walked and Foran whipped a three bagger to the fence. Two runs in. Lamond bunted, but Foran hesitated and was lost coming home. This ended the scoring of the Brants, and Dolan's path was easier.

Again the Hams got to Warner for four hits in the 5th when Linneborn singled and Harris and Crisall each knocked doubles with Tiffany tallying. Harris and Crisall crossed the plate, Linneborn being caught at second attempting to steal.

Thereafter Warner received good support, and there was nothing doing as far as runs were concerned. The Hams opened strongly in the ninth, when Pembroke and Broadbent got on, but a double play to Foran ended the rally and Dolan fanned.

Although Rube went in as pinch hitter in the ninth he did not come across, sending the pill to right field where Crisall was waiting. Foran was out to left and Green fanned. The game was over and the Brants had lost.

One of the features of the game was the fine work of Foran, a new first sacker who dropped in from Syracuse on Sunday night. Up to bat four times he came across with a triple and a two bagger and a single. He is quite capable and will relieve Rube from the inner pasture. Green did not register a single hit. So far this season he has been up seven times and has yet to get his first bingle.

Warner did not appear to get warmed up to his task until the end of the game and he was well hit, his opponents picking off nine lusty swats. He did not exhibit the same speedy break as was evident in his first game and sent them straight across. It was only later that he brought off some really classy twirling and then he got out of some tight corners in good style. Nothing got away from Warner, but this could not be applied to Pembroke, who was accountable for several bad breaks, one of which meant a run for Dunlop. The latter pulled a bonehead play when he did not catch Crisall sliding in on the sack. He seemed to be under a wrong impression of some kind. The men who tallied runs yesterday did not get the hits, but Mullin, Fried, and Dunlop each tallied, but did not connect successfully, while Foran did the bulk of the swatting to be caught sliding home twice. Lamond and Burrill each landed heavily but did not count.

Dolan pitched a pretty good brand of ball, and mixed up speed and curve, but he did not puzzle Foran one bit. The contest was not one of the hair-raising kind, but it contained just a fair spice of excitement, and the closeness of the issue gave it an additional thrill, although the fact that the winning run never came robbed the game of much of its interest as far as Brantfordites were concerned.

**WIN AT HAMILTON**  
After a long drawn out struggle, Brantford managed to take the edge from the Hams yesterday afternoon by the tally of 8-7, thus drawing even on the day's play. Higgins was hit eleven times, and was replaced in the ninth by Worfel, who struck out three men in succession and ended the agony. Bunching hits in the third, the Hams

got five runs and took a lead of three, and this they increased in the fifth, making their tally seven. Steadily pounding the pill, the Brants replied with two runs in the 6th, and in the seventh, adding a single in the eighth which added to the three already was sufficient to carry them through.

order—that is for a city league. The battery selections by Manager Humble for the Macs was Lynn and Powell, while the Alerts depended upon Myers to send them over with McKay on the receiving end.

Terrace Hill started off well by getting to Lynn for three runs. In their half of the first inning, MacBride's came back with two counters, putting them one run behind the Alerts. After this inning, both the pitchers tightened up, with Lynn having the best of the argument, while the support of the Terrace Hill was wobbly, with the result that the MacBride's got four runs during the rest of the game, while the best the Alerts could do was to add a couple. Nip Wilkinson was the hitting star of the game, getting three healthy clouts, one going to the fence for a double.

The work of Outfielders Pierce and Lenington of the MacBride team was also a feature.

Batteries: MacBrides, Lynn and Powell; Alerts, Myers and McKay. Umpire, Burnett.

## LONDON WON IN MORNING.

Defeated St. Thomas by the Score of Seven to One.

St. Thomas May 24.—In a game featured by misplays and errors London defeated St. Thomas here in the morning game. Whatcraft and Vogt starred. Umpire Walsh was away off and was in trouble all the time.

## ST. THOMAS WON THE OTHER.

St. Thomas Reversed the Tables on London.

London, Ont., May 25.—After having defeated St. Thomas in the Railroad City in the morning, the Tecumseh fell before the same crew by 10 to 2 at Tecumseh Park yesterday afternoon.

Hughey was not sufficient with his twirling in the morning session, but Reilly graced the afternoon portion of the holiday bill most effectively. Doc Reising was in the game himself and shared the second sack with La-sore, while Todd and Bierbauer were the principals in a very neat double play. Nearly every man on the St. Thomas team with the exception of the pitcher, pilfered bases freely, while London had not one purloined sack to its credit.

## Sons Won Against Parisians

P. S. A. 7, Holmedale 1.  
S. O. E. 1, Paris 0.

The John Hill Charity Cup games, two of which were played on Saturday drew the largest crowd yet seen to both the grounds at Tutela and the O.S.B. grounds. The class of football witnessed was excellent and well worthy of the occasion. P. S. A. made a sort of glacial march to the field, while Holmedale with a solitary consolation point, but the game was keenly contested in spite of the score which is not, a good echo of the game.

The Sons got away with a clean-cut victory over Paris whom they put out of the running by a single goal. The point was well deserved for rarely have the Sons put up a finer exposition, while it must be said of Paris that they died gamely. Struggling all the way, they, at last succumbed, not being able to penetrate the iron defence of the Sons. To Smith goes the honor of scoring the point, but it was the work of Dunn that enabled him to net. Howell in the Sons goal did a

fine day's work, while Hamilton showed great form.

The Sons were conspicuous during the game because of a black band which every member wore on his arm as a token of esteem for the Jim Keighley, who was killed in action, and who was, before he left with the first contingent, a valued member of the team.

The collection for the Charity Cup resulted in the sum of eleven dollars being raised.

Playing a fast game, using all their skill and combination the P.S.A. team, made quite an impression upon the Holmedale boys, before a large crowd at the O.S.B. grounds. The Congregationalists proved above all they were opportunists and they rarely missed a single chance of putting the ball past the goal. Holmedale on the other hand, lacked the useful knack of converting the attack successfully and thereby they lost out. They played well and pluckily, but they did not follow up an advantage as did their opponents. The game held many thrills and was a good one to watch, both teams having a good following present.

## S. O. E. v. PARIS

The S.O.E. met Paris at Tutela Park before the largest crowd of the season. Hamilton won the toss and the Sons played with the wind behind them. The Sons forced matters and came near scoring in the first few minutes, but the Paris goalie was in good form. The game was fast and clean, but the Sons were having much the best of matters, and forced a corner which was well placed by Dixon.

Paris cleared their lines and at the other end Howell made a great save pressed again and Smith nearly scored. Paris took play to the other end and Nevin shot over the bar. The Sons were playing a great game and only the good work of Brier prevented a score. The Sons defence was so safe Howell was only called on to save on three occasions before half time, which arrived with the score sheet blank. The second half opened with even exchange, both ends being couisted in turn. Paris tried hard to score, while Howell in goal was always ready. The Sons assumed the upper hand again and played with much determination and after 15 minutes play were rewarded. Dixon cleverly beat three men and passed to Smith, who made no mistake with his shot and the Sons were one up. Paris now put Curl in the forward line and tried hard to even up, but the Sons defence was equal to all attacks and never let up. The Sons played a safe game and nearly increased their lead when Johnson heaved over the bar from a corner, well placed by Baker, and Hamilton put in a shot which Brier pulled down as it was going under the bar. At the other end Curl shot past the post and from then till the end the Sons continued to have the best of the game. Dixon shot over the bar. Paris tried hard to even up but the Sons were still pressing when the game ended in favor of S.O.E., 1 to nothing.

## SONS PRACTICE.

The Sons will practice this evening at the Tutela Park when all players are requested to put in an appearance to get to work at 6:30 p.m. (Additional Sport on Page Eight)
