**Letter to the Editor**

Dear Mr. Editor:  
 May I, through the medium of your paper, offer a suggestion which seems opportune, now that the Memorial Hall is nearing completion and Waterdown is at last to have a suitable place in which to hold its gatherings, etc.  
 I understand that the existing Community League has heretofore consisted of the members of two or three other societies, and that now, owing to the resignation of the President, Mrs. Ryckman, whose years of faithful and untiring service will long be remembered and appreciated, the question of a new President must be considered.  
 Why could not we have a Community Club which would be of interest to every member of the community from the oldest to the youngest. A live club with say weekly meetings, for social times, community sings, or discussion of questions which are of vital interest to all. It seems to me that such a club might well be a real help and inspiration in Waterdown.  
 Thanking you, I am

**Harvest Home Services**

The Harvest Home and Anniversary Service of the Methodist church will be conducted on Sunday, Sept. 17th. Rev. S. W. Fallis, D. D. of Toronto, head of the Book and Publishing House of the Methodist Church of Canada, will be the preacher of the day. On Monday evening, September 18th, there will be a good Harvest Home Supper provided by the ladies of the congregation, and a splendid program of music. The musical part of the program will be furnished by the Harry J. Allen Quartette of the First Methodist Church, Hamilton, Mrs. Dorothy-Marwick Howell, Soprano, Woodstock; Mrs. G. J. Kotzmeier, Contralto, Hamilton; Mr. D. Llewellyn, Tenor, Hamilton; Mr. Geo. Richmond, Baritone, Hamilton. Master Jack Corrigan, the boy elocutionist of Hamilton, will recite. Supper will be served from 6 to 8. The program to commence at 8.15. Admission, Adults 50c, Children 25c. Everybody welcome.

**Safety First**

"Safety first" is a good maxim in most things, but particularly so in relation to the investment of money. The rich may afford to speculate and take the risks attendant on high rates of interest. Those whose means are moderate must be careful to see that there is absolute security in their investments. For such people there is no other form of investment which takes such a high rank, combining absolute security with liberal interest, as the bonds of the Dominion of Canada. Holders of Dominion bonds bearing five and a-half per cent, maturing December 1 1922, can re-invest their money at the same rate of interest by exchanging the old bonds for new ones running for either five years or ten years, as the bondholder may prefer. Arrangements for carrying out this exchange can be made through all the chartered banks.
