Why Ford Predominates

Many Reasons From Many Users

If you were to ask the next fifty Ford owners you meet why they prefer Fords, you would get a wide variety of answers.

Some would say, "Because they seem never to wear out;" others would answer, "Because they cost so little." Many would reply "Because I can get service anywhere;" and just as many, "Because it is the only car I can afford to own."

All would tell you, "Because they

master a bad road in any weather," a woman driver would respond, "Because I can drive it so easily." From the fleet-owners you would hear, "Because I can buy two or three or four Ford Trucks for the price of one big truck."

Wherever you might inquire you would hear expressed these basic reasons why Ford predominates—why, year after year, Ford sales equal the total sales of all other cars combined.
