

### Try the 40c. package of Red Rose Tea.

Although the 30c. and 35c. qualities are generously good, people who use the 40c. quality believe it to be worth the extra money. It's a stronger, finer-flavored tea. It goes farther in the pot.

N.B.—Coffee users will find Red Rose Coffee as generously good as Red Rose Tea

**The Business Man and His Stationery**  
The merchant encourages us always to buy a good article in preference to that which may be cheapest—he is right, without doubt, but how often he fails to learn this lesson himself—especially is this noticeable in stationery—some envelopes which reach us through the mail are a disgrace to the sender.  
We wonder if the merchant always understands that his business is measured oftentimes by the class of stationery he sends out—yes, even the quality of paper in the bills he renders—we venture to say that there is nothing which points out a business man's carelessness and general make-up more plainly than the quality and style of the stationery he uses. It advertises his standard—it announces clearly to the public what class of goods they may expect at his store.  
If the merchant sends out a wishy-washy rag of a letterhead, envelope, invoice or statement, the public may reasonably expect the same quality and cheapness in the merchant's stock of goods.

## THE TUPLIN Silver Black Fox Corporation LIMITED.

**An Investment of \$1000 in this Company will purchase \$1000 of Bonds and \$400 of Common Stock**

The prospectus states that the bonds will probably all be redeemed in three years. Present indications lead to the conclusion that the Company will be able to redeem the bonds within 18 Months and at the same time pay a handsome dividend on the Common Stock.  
On this basis the investor, would receive in return for his \$1,000.00, in October, 1913

1-2 Years Interest on Bonds	\$30.00
10 p. c. Dividend on Common Stock	\$40.00
Possibility of redemption of Bond at 105 p. c.	\$1050.00
	\$1120.00

Thus returning the money with interest, at the rate of 24 p. c. Per Annum, and still leaving \$400.00 of Stock, which when all bonds are redeemed should earn 50 p. c. Per Annum or better.  
**This is the only Fox Company selling stock that will pay a dividend this October**  
It is expected that the whole capital will be disposed of in a few weeks, and applications for bonds, with 40 Per Cent. Common Stock bonus, should be addressed without delay.
