Fall term opens Sept. 4th, Write for full particulars. T. N. Stockdale, principal.

Diminished Vitality

Some people talk very flippantly bout diminished vitality.

They don't stop to think that vitality is the principle of life-that it is that little understood something on which every function of their bodies

depends.

Diminished vitality is early indicated by loss of appetite, strength and endurance, and Hood's Sarsaparilla is the greatest vitalizer.

A Strange Disease

A peculiar disease, proving fatal to ago the disease appeared on the farms

How would you like to be the cheese. of Messrs Mullin and Zerou. Dr. Haworth, V.S., of Iroquois, was summoned and, after a careful examination, pro nounced it typhoid influenza. The continuance of the malady, however, brought furthur concern, and it was thought wise to have a Government Inspector visit the section. According-ly Mr. Mullin telephoned Hon. Sydney Fisher, Minister of Agriculture, ex-plaining the prevailing conditions, and he agreed to send a veterinary at once. In accordance with the promise of the the Minister of Agriculture, Dr. Orch ard of Ottawa, arrived and, in company ful examination of the stock and premises, but failed to throw any additional
