

SACHEL OF THE SATELLITE

What's the matter with Darrell?
She's all right!

Whoa, Back, Ge, Haw, Git up;
Darrell has won the Walker cup.

Hurrah for the Darrell Football
Club. They have won the Walker cup.

The weather man is evidently tak-
ing his Christmas with a little water
in it.

The coal dealers find these days that
a soft coal answer by no means turns
away wrath.

Alld Thomson ought to be a good
councillor; he got his training in the
School Board.

Judging by the noise made by the
whiskey drinkers, these are the
Christmas holidays.

The Darrell boys say that they only
regret is that Windsor preferred de-
fault to a second drubbing.

Yesterday was the shortest day in
the year. That's probably why every-
body slept so long in the morning.

There is little doubt but that that
Kansas syndicate has made a corner
on turkeys in order to feather their
own nest.

A little country corners, consisting
of a store and a railway crossing,
sent a team to Windsor and it
brought home the Walker cup.

"Yes," said the Darrell Captain, "we
were prepared to defeat them but they got
Wind-sir, and didn't show up."

Dear Satellite,--Would you mind
working out this problem for me.
Given that an alderman takes advan-
tage of his position to sell a pair of
shoes to the city, how many pairs
would he sell if he were elected may-
or?

Yours,
ALRIGHT YES.

Give it up. And I am afraid you
will not see a practical demonstration
of the problem.

Manager Brisco, of the Grand, tells
a good story about two men. One
day Mr. Brisco's father's hired man
and another fellow went fishing in
Lake Ontario. They caught a nice
pickled, which they sold to the hotel-
keeper at Bath for 50 cents. The men
then went into dinner and the pick-
led was served whole. The two de-
moralized the pickled and then paid 25
cents each for their dinner. Fred has
been wondering since what the hotel-
keeper got out of it.

CHRISTMAS SHOOT

The Maple City Gun Club held a
meeting Saturday evening and decided
to hold a live bird and blue rock shoot
on Christmas Day at the club grounds,
Riverside Park.

It was also decided to begin the con-
test for the MacIntyre medal cham-
pionship and the London and Lanca-
shire clock handicap. The best scores
made in six contests will decide each.
The contest for the medal will begin
on Thursday, January 15th, and the
first round in the handicap will be
shot on Thursday, January 8th. The
contests will continue each alternate
Thursday till decision is made.

GREAT TEA DRINKERS.

The Maritime Province people use
about six pounds of tea per head, or
say about thirty pounds per year to
an average family. They are also said
to be good judges of tea, and this
must be a strong recommendation for
Red Rose, which is the principal Tea
used.

What men want is not talent; it is
purpose; in other words, not the
powers to achieve, but the will to
labor.

In Girlhood

There is a great need of motherly watch-
fulness and care. A growing girl needs
all her strength, and if she is nervous
and melancholy, and loses appetite there
is surely something wrong. This is es-
pecially true as the young girl approaches
that important pe-
riod of change
when the woman-
ly function is es-
tablished. Time-
ly care and prop-
er treatment at this
period may save
much after suf-
fering.

The best medi-
cine for young
girls who are
nervous, mel-
ancholy, and ir-
regular of ap-
petite, is Dr. Pierce's Fa-
vorite Prescription.
It cures
nervousness, dis-
eases, and mel-
ancholy, promotes
the appetite, and
gives the body
robust health.
There is no al-
cohol in "Favorite
Prescription" and
it is entirely free
from opium, co-
caine, and all
other narcotics.

"My daughter was troubled with dizziness
and constipation and was very nervous
and melancholy," writes Mrs. M. Carter, of 1545 4th Street,
N. W., Washington, D. C. "I tried several doc-
tors but they gave her no relief. At times she
would eat nothing, had green and purple circles
under her eyes, and was melancholy. A woman
friend of mine told me to try your 'Favorite
Prescription' and 'Pleasant Pellets' which I did.
After taking one bottle of each she began to im-
prove and is still improving. People said she
looked as though she were going into a decline.
She is twelve years old. There are no circles
around her eyes now and she is healthy and
robust, eats as much as any child, and is grow-
ing fatter every day."

Dr. Pierce's Pellets regulate the bowels.

WORLD OF SPORT

FOOTBALL

WELL DONE, DARRELL.

By Windsor defaulting Saturday's
game to Darrell the latter secures the
Walker trophy.

The Darrell team lined up on the
field as follows:—

Goal—Harry French.
Thicks—Will. Dick and A. Pugh.
Half backs—M. Abram, E. Pettie-
son and M. French.

R. Wing—Roy Abram and P. Pugh.
Con. re—Jack Fusher.

L. Wing—Les Gregory and Ed.
Junkie.

When the time limit for the appear-
ance of the Windsor club had ex-
pired, Referee Will. H. Brackin called
the Darrell club together and ad-
dressed them.

In a few words he said Windsor had
defaulted and as far as he was con-
cerned the game was Darrell's and
the cup also.

The Chatham boys led them off with
three cheers for Darrell and Captain
Junkie responded by calling for three
cheers for Chatham.

Referee Brackin gave Captain Junkie
the following letter for President
Laurie of the League:

Mr. F. D. Laurie, President, Penmular
League.

Dear Sir,—I find that Windsor has
for the second time failed to appear
in consideration of the short notice
of their inability to come I have
given the game to Darrell.

I understand you deal further with
the matter.

W. H. BRACKIN.

The Darrell Club deserve the great-
est amount of credit for winning the
Walker trophy. They have put up
good, clean football and deserve to
win.

GALT TO HAVE OPERA.

Under the auspices of the Galt Foot-
ball club, the opera "The Chimes of
Normandy," will be put on by the
Galt Amateur Opera Co., under the
direction of Prof. S. S. S. in Febru-
ary. A week's engagement through-
out Ontario will follow.

Here's a suggestion for the Chatham
Football club's big concert.

THE FAREWELL RING

Miss Carrie Burns, teacher in school
section No. 21, Raleigh, has resigned
her school and will attend the Normal
at London next term.

Friday her pupils gathered at the
school and presented her with a beau-
tiful opal ring and an appropriately
worded address, as a token of their
regret at her departure, and their ap-
preciation of her work during the year.

Miss Burns was completely taken
by surprise, but in a few well chosen
words she thanked the pupils for their
generous gift.

The following is the address:—
To Miss Burns, our beloved teacher.
It is with the deepest sorrow and
regret that we bring these exercises
to a close, as we will then have to
bid good-bye to our most dear and
beloved teacher. Words cannot ex-
press our sorrow at losing a teacher
who is so much esteemed by all.

You have worked faithfully in our
school, for our benefit and happiness,
and in our Sunday school you have
ever been ready to lend a helping
hand. We feel that we owe you a
deep debt of gratitude for making our
working hours most pleasurable as
well as profitable to us, and we beg
your acceptance of this ring as a
slight token of our respect, esteem
and love, requesting you to wear it in
your remembrance of your many little
friends of school section No. 21, Bal-
dwin.

Wishing you every success at the
Normal school, and a Merry Christ-
mas and happy New Year we remain,
Your affectionate
PUPILS.

GOOD TIME

Staff and Students of Central
School Observe the Christ-
mas Closing.

To make his school, one large
family of girls and boys and to pro-
mote circumstances which will make
the scholars, rich and poor, meet on
an equal footing, has been the ambi-
tion of J. W. Plewes ever since he
assumed the principalship of the Cen-
tral school. In this, it is only fair
to say that he has so far succeeded
admirably. The Central school in
this respect holds undoubtedly one of
the highest places among all of the
schools of the province, for which
Mr. Plewes is indeed to be congratu-
lated.

The idea of the special Christmas
treat which was given to the scholars
of his school on Friday is an excellent
one. Heretofore the Sunday school
Christmas tree concerts were the
chief occasions on which the little
children were given a special Christ-
mas treat. By adopting this plan in
the upper hall, some of the num-
bers were a recitation by F. Snider,
song by Miss Marjorie Chrysler, duet
Misses D. Foreman and M. Thomas,
recitation by Miss Edna Hicklin, and
address by Inspector Park.

One interesting feature of the con-
cert was what might be called a
telephone address from Dr. Geo. T.
McKeough, acting chairman of the
Board. The doctor was not able to
be present in person, but he remem-
bered them by wishing them a Merry
Christmas through their principal
over the telephone.

After the concert came the treat,
the part which has been looked for-
ward to by the scholars, and which
they enjoyed immensely. Over \$17.00
was raised in subscriptions, and this
was spent in purchasing a barrel
of candy and three cases of oranges,
which were distributed through the
school.

After the treat the juniors were
given a Christmas tree and each one
was presented with a Christmas gift.
The children on their part remem-
bered their teachers, each of whom
were given a present.

Everything passed off in excellent
style, the occasion is one which
will be long remembered by the
children.

WERE ORDAINED

A solemn ceremony took place on
Saturday at St. Peter's Cathedral,
being the ordination to the priesthood
of Rev. Fathers John Dunn, of Wyom-
ing, and Emery, of Mitchell's Bay,
west of Chatham. The two young
men had just returned after spending
three years in training at the Grande
Seminary, Montreal. A large con-
course of visiting priests, together
with the relatives of the candidates
for priesthood, were in attendance.

It was at 9 o'clock that the ceremony
began, and it lasted for an hour and
forty minutes. His Grace Bishop Mc-
Evoy officiated, being assisted by Rev.
Fr. Aylward, rector of St. Peter's, and
Rev. Fr. St. Cyr, of Stoney Point.

The master of ceremonies was Rev.
Fr. Egan. Rev. Fr. P. J. Gnam, of
Wyoming, assisted Fr. Dunn, and Rev.
Fr. Langlois, of Tilbury, assisted Fr.
Emery. The priests within the nar-
rary comprised Revs. Fr. Ladecur,
Driscoll and Pinsonneault, of St.
Peter's; Fr. Stanley, of St. Thomas;
Fr. Hogan, of Strathroy, and Fr. John
Gnam, of Hescon.

At the close of the ceremony the
young priests gave their first bless-
ings to their parents. They left on
the afternoon train for their homes,
where on Sunday they will celebrate
their first mass. They will then re-
turn to the place here for several
days before being assigned to their
new stations.—London Free Press.
