EVANGELSTIC NOTES Six congregations in the Township of Harwick the House of Refuge and Home of the Friendless, were supplied with services yesterday by union men. Mr. Robert Campbell, student, on his way back from Rat Portage, where he has been engaged in mission work during his summer vacation, taking three of these services. At Huffman's church, 10th Line, their Sunday school was found in line; working order, over 20 young men and women in their Bible class, and every teacher and officer at their post. A bright room, bright teaching, and the best of order and attention by the boys and girls impressed visitors most favorably. lesson-one was that Beltshazzer had one good point anyway—he paid the preacher atmosph he preached right at him, a most unusual thing. One infant class, three intermediate and the Bible class, a total present of 66. All adjourned to the congregation above at eleven. Their choir is a good one and the congregation all singing above the average. A friendly visit and a good dinner at Mr. Bustin's and then on to Forbest church. Their Sabbath school also meets before the congregation. Children are reported as scarce is this vicinity—only 21 on the roll with 16 present—is a great contrast to what vicinity—only 21 on the roll with 16 present—is a great contrast to what it was 20 years ago. This intelligent neighborhood was well represented; their anthem being well sung and their choir leading strong. glad prospects of the future; in a Heavenly Father's hand for His children, we said farewell. Soon reached Zion church. A country evening congregation is always large as a rule, and this was no exception. It is a pleasure to see the faces of so many old friends and new, and to be greeted with, "Yes, don't you remember it was at Mr. Hammond's meetings, in Chatham over 20 years ago." He had not forgotten it, Neither had His God. Here we had a most difficult selection by the choir, it enlivening the service, but, needed more practice. Their yoices, with cultivation will blend and be Al. The Sunday school here is not what it should be for such a neighborhood; a beautiful day like yesterday and only 2 attending. "Awake, awake, put on thy strength, O Zion."
