Baptist.—Rev. W. J. Stewart, of St. John, preached in the Baptist church ist Sunday morning and addressed the regular monthly missionary meeting of

the one bought by Rev. Mr Croscomb.

The other relates to the people. The students in the evening in College to Conductor Edwards, who highly to Conductor Edwards, who highly the flower of the young population leaves to the people. prizes it es a souvenir of Sam Slick, the the Provinces for New England. This is a pretty compliment for those of us who ore here, perhaps; or it is a severe reflection on those who are left. But the chief fault to be found with the Miss Rand, daughter of Mr Rand, M. statement is, that it is entirely inaccurate bind, has leased the nouse just completed by Mr G. H. Patriquin and intends an arrow escape from suffocation in her moving to Wolfville about the first of A support of the property of the pr She left word to be called at a certain She left word in the suppointment of Ernest H. ing to the bell, and noticing a strong of the last or claim that they would be composed. We would be suppointment of Ernest H. Amstrong, of Weymouth, as Registrar of Deeds for Digby county. Mr Armitog is editor of the Weymouth Free decupied by Miss Fand, found it full of emigrated. Indeed, some might claim, which is entired by the last to claim that those who have the last to claim that those who have small state of the last to claim that those who have the last of the last to claim that those who have strong is editor of the Weymouth Free decupied by Miss Fand, found it full of emigrated. Indeed, some might claim, which made assent that the average gas and the lady herself unconscious. and with good reason, that the average ntlemen look at our Lace and ConShoe for \$2.50 as stylish as and 18hoe. C. H. Bodden.

The next of the series of retiting. Miss Rand in some way turned to the constitution of the series of retiting. Miss Rand in some way turned to be series of retiting. Miss Rand in some way turned to be series of retiting. Miss Rand in some way turned to be series of retiting. Miss Rand in some way turned to be series of retiting. The next of the series of retiting the series of retitions the series of retiti retiring, Miss Rand in some way turned on the stop cock of the gas jet, which is close beside that of the electric light. Had she not been discovered early in the Provinces have been more misinforming than informing. They the morning, it is more than likely that bave found ancient villages, ancient fatal results would have ensued .- customs, ancient manners in out-of-theway places, and they have found odd and ignorant and ill dressed people in in-theway places. To portray these was more

pleasant than to describe such people
