Lectures Before St. John's Young People's Society

The inaugural meeting of the Young People's Society of St. John's Church was held last Friday evening in the Parish Hall. There was an excellent attendance. The rector presided and explained the nature and objects of the Society. It has been got up, he said, for the mutual improvement and entertainment of the members, for promoting social intercourse among the younger members of the congregation and assisting in the work of the parish. It was not a children's society and all the adult members of the congregation of any age were eligible for membership but it would be managed by the Young people.

Professor McPhee then delivered a most interesting and eloquent address which was listened to with rapt attention. He said he was glad to find a Society that had been established not so much for the object of setting other people right, but for self-improvement. We had plenty of the first named kind, sometimes he thought too many, but we could not have too many of the latter. His subject was the beauty of common things. We could make anything beautiful if we looked at it a certain way, and the beauty of everything depended upon our attitude towards it. Viewed in the right spirit the most commonplace duty, or person or thing became beautiful, however externally unattractive it might be.

A hearty vote of thanks moved by Mr. R. Creighton seconded by Mr. Edmund Crawley was accorded by standing vote to the lecturer. Revs. Dr. McDonald and W. H. Watts spoke briefly and the Vice-President, Mr. L. Rudolph, said a few words. Just before the close of the meeting Mr. Patiquin arose and expressed his great pleasure in being present and his appreciation of Professor McPhee's fine address. He wished the Society every success. The singing of the National Anthem closed the meeting. A large number joined the Society afterwards which now numbers over thirty members. The Sec.-Treas., Miss Angela Herbin, will be glad to receive members.

AN EXHIBITION OF BOYS' WORK

On the evening of Monday, March 25th, an unique entertainment will be given at the Opera House. This is not merely an entertainment and as such amusing, but an explanation and an exhibition of a modern system of work among teen age boys and therefore of extreme value to all who are interested in the coming men of this Canada of Ours. Such an exhibition has probably never been attempted in the Province and no one in Wolfville should miss it.

The program will open with an overture by the College Band, the members of which are always ready to co-operate with the Town, thus showing a splendid spirit. The Reverend L. A. Buckley, the well-known Secretary of the Y. M. C. A. for Boys Work in the Maritime Provinces, will then give an explanatory address on the Tuxis work. This will be followed by an amusing quartette extolling the merits of Mother Winslow's Soothing Syrup.

Four of the Tuxis Boys will then speak on the four standards of the Tuxis Program, slides illustrating the ideals of each standard being shown at the same time. Following this, Mr. Buckley will explain what is meant by "charting" and slides showing charts of some of our Wolfville boys will be thrown on the screen. Mr. Paul Tingley's Sunday School class, the "Quahbeets" will follow with a stunt in Pyramid Building.

The Wolfville Division of the Sons of Temperance having presented a cup to be given to the best all-round Scout at the age of fifteen, this cup will at this time be presented to the boy who has won it, the winner being "charted" on the stage. Between two portions of this charting, an amusing song with banjo and mandolin accompaniment will be given.

The College Band will then favor with a selection and the Entertainment will conclude with the Burlesque Grand Opera, "Uproar Grand." This is one of Witmark's best productions, and no explanation could do it justice. Its equal has never been produced in Wolfville. The principal parts are in the hands of well-known amateurs, who have given a great deal of time to careful rehearsals.

During the past year the Boy Scout funds have had to provide for the equipment and up-keep of the Club Room, which is now used by Girl Guides, Tuxis Boys and Boy Scouts. Permission has also lately been granted to the Philathea Class of the Baptist Sunday School to use the building. If the building is to continue its usefulness, a generous patronage of this entertainment is absolutely essential not only to provide funds but to encourage those who are devoting so much time to the work.

The Canadian Curiers have arrived home from their tour of the Old Land. The Cazucks won 29 of the 34 matches played.

MANUFACTURERS ON TOUR

J. A. McKinnon, President of the Canadian Manufacturers Association, who is heading a big delegation of manufacturers on a trip in Eastern Canada. He recently replied to the charges of J. J. Morrison, Secretary of the U. F. C.

GREENWICH LOSES PROMINENT CITIZEN

The death of Mr. Gustavus E. Bishop, which occurred at his home in Greenwich last Saturday morning, removes a gentleman well known and highly esteemed in the county.

The deceased was a son of the late Jesse Lewis Bishop and was 80 years of age, having been born at Greenwich in 1841. He lived practically all his life in his native village and was a good citizen of a type now rare, incorruptable and unselfish. Always ready to work for the public welfare, regardless of personal profit, he will be widely missed.

Some people do things if they get backing. Mr. Bishop did things and rustled his own backing, having the faculty of moving people against their "let well enough alone" inclinations. He may sometimes unavoidably made enemies, but he was never an enemy to any man.

He suffered greatly during the last five weeks of life, but his cheery disposition and never ending humor right up to the last unconscious moments will never be forgotten by those whom duty or friendship brought to his bedside.

Mr. Bishop came of a long-lived family of ten children in which this is the third death, he being survived by four brothers and three sisters. He is survived by one daughter, Miss Lillian Bishop, and one son, Burpee L. Bishop, both of Greenwich. Another daughter, Miss Blanche Bishop, died about three years ago.

The funeral was held on Monday afternoon, and was largely attended. Rev. Dr. MacDonald, pastor of the Wolfville Baptist Church, of which the deceased was a faithful member since 1859, conducted the service and the interment was in Willow Bank Cemetery.

THE COUNTY CLINIC

It may not be fully known to the citizens of Wolfville that by recent Provincial committees appointed by the Municipal Council and the Town Council of Kentville and Wolfville, a County Health Clinic has been established with headquarters at Kentville. Rooms have been fitted up in that town for the carrying on of Clinic work under the direction of Miss M. Hayden, County Nurse. The salary of the nurse is paid for the present by the Red Cross, while the expenses connected with the work is to be borne jointly by the Municipality and Towns. All bills to be paid by County Clerk and the town charges appearing in the joint service account. The Committee of Management as appointed by the joint committee are, the Warden of the County, and the Mayors of the Towns of Kentville and Wolfville. This matter has never been reported to our citizens and THE ACADIAN gives the information as soon as it could be secured.

PROF. BALCOM'S LECTURE

The closing lecture of the series given under the auspices of the Social and Benevolent Society of the Wolfville Baptist Church was delivered on the evening of March 3rd, by Prof. A. B. Balcom, of Acadia University. The topic was "Woman's Place in Society," and it was treated in the Professor's logical and lucid style. Prof. Balcom traced the place of woman through the earlier and later periods. He showed that three influences were at work in raising womanhood to her present status, namely, the religious reformation, the advance of science and the changed modern economic conditions.

A vote of thanks was extended to the lecturer moved by Prof. E. A. McPhee, and seconded by Mrs. Emma Whidden. The Seminary Glee Club, under the direction of Mrs. Gregory, furnished two musical numbers, and Mrs. Thompson rendered a violin solo. It was a profitable and enjoyable evening.

Kings Defeats Acadia

On Saturday night King's College Hockey team and Acadia College hockey team played an exhibition game in the Windsor rink that was won by King's score 5-1.

Referee Eric Boulden lined up the teams as follows:

Acadia	Goal	King's
W. Steeves	K. P. Harris	
Defense		
K. Fraser	A. Dunlop	
D. Wetmore	R. Parnell	
Centre		
A. Parker	J. Ruggles	
R. Wing		
K. Mason	G. White	
L. Wing		
M. Beardsley	E. R. Moulton	
Subs		
Kennedy	Burchill	
W. Monkley	Hickman	
R. Murray	Ross	

The game, played in three periods, was pronounced to be the best seen this year in the Windsor rink. It was swift, clean hockey from first to last, no penalties or rough house tactics and yet it was a hard fought game throughout.

In the first period, Dunlop scored first for Kings. Wolfville had the best chance on the play in this period but failed to make good on shooting. Beardsley scored one before the bell rang, this being the one and only tally made by Acadia during the game.

In the second period King's kept Acadia on the defensive, White scoring second goal for his team in this section of the play.

In the third and final struggle, the play was a series of end to end rushes, hot shots and brilliant dashing up and down the ice. Harris proved a perfect defender, allowing nothing to pass, but King's got in three hot shots, which placed the score 5 to 1 in King's favor, with Ruggles and Moulton being the lucky scorers. Each man on the team did his part and both teams kept up steam to the end.

After the game King's entertained visitors to supper and the Acadia team came home on the last train.

EASTER SERVICES OF ACADIA STUDENTS

Arrangements are being made for special Easter services to be given in the Cathedral.

pastorate on Easter Sunday. The Acadia Evangelistic Band will assist the pastor, and a very attractive and helpful program will be presented. Many will recall a similar service on last Easter, which was largely and appreciatively attended. Plans for this year are for an even more helpful service. The Evangelistic Band will consist of about eighteen young men and women from Acadia University who are eager to proclaim the gospel message in music song and story. The program will consist of Ladies' quartettes, male quartettes, mixed quartettes, anthems, vocal and instrumental solos, and brief devotional addresses emphasizing man's immortal hope in the Easter message. A special seven piece orchestra will assist in the program of music. An Easter offering will be taken for church improvement purposes. Program will be published at a later date.

ACADEMY HOCKEY

The Acadia Collegiate Academy hockey team played a game with the King's Collegiate team at Evangeline Rink last Saturday morning. The home team displayed much better hockey and won by the score of 8 to 1.

On Tuesday the Academy team went to Antigonish where on Wednesday evening they played the St. Francis Xavier boys. The game was closely contested and although the Acadia boys put up a splendid game, they suffered defeat, the score being 7 to 6.

A Musical Treat

Helen Choate Made Hit Last Night

The Auditorium of the Baptist Church was well filled last night when Miss Helen Choate, soprano, of Boston, gave a recital which was greatly appreciated by the music lovers present. Miss Choate has a very sweet voice with a wide range and she sings easily and clearly. She has a splendid stage manner and captivated all with her pleasant smile. No small part of the success of the entertainment was due to the excellent accompanying of Miss Anna Mae Schneider, of the Conservatory staff. The program was as follows:

Finishing	Del Riego
Lady Moon	Coleridge-Taylor
The Unforeseen	Cyril Scott
What's in the Air Today	Eden
II.	
Aria from "Louise"	Charpentier

GOD SAVE THE KING

THE CIVIC ELECTION

M. Wheaton Elected to Council

Probably Wolfville never experienced a more quiet election than that held on Monday. There were two polling booths, one in the Town Hall, in charge of Messrs. J. D. Davidson and Morgan Tamplin, and another at Rockwell's sample rooms, in charge of Messrs. J. W. Vaughan and J. West. Out of about a thousand names on the list, only 257 votes were cast, of which about one third were women. The small vote was due in a large measure to the fact that very little canvassing was done and neither adequate supplied vehicles to carry voters to the polls. The result was as follows:

Wheaton 202

McNally 55

McNally for A. M. Wheaton 42

IS THERE A REASON?

These are the days when the small boys congregate in groups wherever the sidewalks are dry enough to play the time-honored game of marbles. Did you ever consider the psychology of the fact? Just now and for a few weeks marbles is the chief thought in the mind of the small boy, and then they are put away and never heard or thought of until spring comes again. Can any one think of a pleasanter occupation in which the boys might indulge during the summer vacation than marbles? And yet did anyone ever hear marbles mentioned at that time of the year? Will some of the wise ones explain why this is thus in every generation? Perhaps one who is not wasting his time in playing "Bridge" or hockey may be able to explain.

By a majority of 51 the House of Commons Tuesday declared in favor of cabinet ministers being allowed to sit as directors of private corporations. The division, which came after a somewhat lengthy discussion of a bill introduced by A. R. McMaster, Liberal member for Brome, as a private measure, failed to receive unanimous support from the Liberal Opposition, split the Progressives into two sections, and met with the solid opposition of the Government supporters in the chamber.

WESTERN KINGS MEMORIAL HOSPITAL

A very large number attended the first annual meeting of the Western Kings Memorial Hospital Association which was held at Berwick on Monday afternoon in the school room of Wesley Church. T. H. Morse presided, and delivered a short account of the start of the movement. Rev. C. H. Johnson, the secretary, reported that the sum of \$30,000 had been promised, of which sum S. B. Chute had generously given \$10,000, and Capt. Robbins had sold the Association a site consisting of three and a half acres for \$500.

Two architects, Graham Johnson, Kentville and L. R. Fair, Aylesford, had submitted plans and specifications of a hospital building. The executive had chosen Mr. Fair's plan. Mr. Fair being present gave an idea of what the building would be like and the probable cost, about \$25,000.

The following were the officers for the coming year:

Hon. Pres., S. B. Chute; Pres. Dr. McNally; Vice-Pres., J. H. Chute; Secty., Rev. C. H. Johnson; Treas., Mrs. H. D. Patterson; Auditors, J. R. Patterson and R. L. Morse. The following were the members: Dr. McNally, J. N. Chute, E. W. Marston, H. D. Patterson, W. P. Parker, Dr. P. N. Balcom, G. R. Nichols, Jas. Cahill, W. B. Burgess, Councillor Gault, T. H. Morse, Mrs. Crichton and Mrs. A. M. Thomas.

SCHOOL BOARD MEETING

There was a meeting of the School Board on Monday evening with all the members present except Commissioner Vaughan, who was detained by illness.

Accounts of J. C. Mitchell for \$1.30 and F. S. Crowell for \$10.00 for care of new school room were read and ordered to be paid.

Letters were read of persons anxious to have the opportunity of tendering for work and supplies for new school extension.

The estimates for the coming year were taken up and it was decided to ask the Council for the sum of \$19,500. This is \$2,000 more than was asked last year.

Considerable discussion was had on the matter of the proposed additional school accommodation. It was reported that the difficulty of securing a site for a new building was being experienced. It was proposed to secure the property of Mr. N. H. Parsons either by purchase or expropriation. A committee of Messrs. Shaw and Sutcliffe was appointed to confer with Mr. Parsons and also wit Dr. Oakes relative to the matter.

Executive Meeting

King's County Boys Work Association

A special meeting of the Executive of this Association was held at the Town Hall, Wolfville on Wednesday, March 9th. Those present were, Dr. McKenna, President; Edson Graham, Secretary; R. Creighton, Treasurer; of Wolfville; Rev. D. S. Ross, Vice-President and Rev. A. B. Layton, of Kentville, and E. Percy Brown, District Commissioner.

The treasurer reported that a considerable number of subscriptions were still unpaid and the District Commissioner, Mr. Brown, was instructed to get in touch with the members of the finance committee in the various places and urge them to receive these amounts as soon as possible. The expenses of the organizer have to be met out of this year's funds and it is imperative that all amounts should be paid in at once and new subscribers obtained if possible. The salary of the District Commissioner is also in arrears.

Mr. Brown reported that the same policy as heretofore was being pursued. He believed in placing existing organizations on a sound basis before going further. Berwick, both North and South, is progressing favorably, as are also Waterville, Kentville and Wolfville. The difficulty of securing leaders and a place in which to meet, has held up matters in Canning; but this seems now in a fair way to be overcome.

Girl Guides have been finely established in Wolfville and this splendid movement will be rapidly extended to other places. A marked increase in Sunday School attendance has been noted in many cases as a result of this work with the boys and girls.

Boys from Berwick, Canning, Waterville, Kentville, Port Williams and Halifax have been given games of hockey in the Wolfville rink and been entertained by the Wolfville people at their homes. It is believed that this will do a great deal to promote friendly rivalry and set up a uniformly high standard among the boys. It is once more urgently requested that anyone in the County who is willing to start work with a group of boys or girls should communicate with the District Commissioner, Mr. E. Percy Brown, at Wolfville.

Mr. R. Creighton, the Treasurer, owing to pressure of other work, asked that Mr. George Munro, District Commissioner manager of the Bank of Montreal, be appointed in his place.

STELLARTON WINS FROM WOLFFVILLE

NEW GLASGOW, March 10—In the playoff game at the New Glasgow Arena tonight for the Morton and Thompson trophy between Stellarton and Wolfville hockey teams, the former won by a score of four goals to nothing. Notwithstanding that the ice was very heavy the play was at times exceedingly fast and the score does not by any means indicate the play as Wolfville had an equal share of the ice area but lost out mainly in their wild shooting.

In the first period Stellarton got away to a good start, Appleton scoring in two minutes. Sullivan getting number two after sixteen minutes play. With one minute of the period left Appleton again beat Spicer with a nice shot which left the Stellarton boys three goals to the good. In the second session after fourteen minutes play Sullivan secured the fourth and final goal of the game with two minutes left of this period. Kirby had his nose broken by being hit with a shot, but showed great pluck by coming out and finishing the game. In the final session both teams seemed inclined to mix matters, but Referees MacDougall and Curry handed out some well-deserved penalties and had the game well in hand at all times. For the Stellarton team, Nolan, Appleton and Sullivan were the shining lights, while Tingley, Fraser and Parker did the heavy work for Wolfville. The lineup:

Stellarton	Wolfville
Kirby	Goal
Nolan	Spicer
Fraser	Defence
Sullivan	Fraser
Higgins	Centre
Appleton	Tingley
McDonall	Left Wing
	Kennedy
	Right Wing
	Mason
	Spares
	Beardsley
	Woodman
	Eagles

Many of our readers neglect so small a thing as a subscription debt. Put yourself in the editor's place; expenses have to be met week after week. We have to rely on such small accounts for our income, therefore we would be obliged if those whose subscriptions which are still unpaid will remit as early as convenient. Thanks.
